1960 TERRAPIN

Byrd Stadium...

A sunny day, a cheering crowd, a winning team — hurrah! The weekend's here — a time to relax, to catch your breath before the arrival of another hectic week.

And what will this week bring? More classes, meetings, exams, desserts, parking tickets, rain, grapes, sunshine, smiles, and — oh, yes, a

few hours for sleeping. But who sleeps!

The 1960 Terrapin wishes to take you on a journey through the world of the college student and share with you the variety of experiences, activities, and interests which are his life here at Maryland — a life filled with ACTION!

Decisions! Decisions! Decisions!

Proudly she wears his fraternity pin.

*We have more to do than study--
socializing and relaxing are important, too.*

It's raining . . . for a change.

The K.A. Minstrel is an event anxiously awaited by Marylanders.

The library offers a peaceful refuge from hectic dorm life.

*Academically speaking,
we strive for
"quantity of quality."*

Around the middle of January the boys in the post office are busy putting grade slips in students' mail boxes.

It was a pleasure buying our books in the new air-conditioned book store.

Volleyball is one of the favorite spring intramurals.

*The thrill of sports--
how dull our college life
would be without it.*

I've got this one!

Intramural football can be as rigorous as a varsity game.

Late lights in Montgomery Hall.

Moving into the dorm has been quite a chore for these freshmen.

*Our dorms, fraternity and sorority
houses are always centers of activity.*

Study break!

Student Government

SGA IN ACTION

EVERY TUESDAY EVENING, BEHIND the mahogany door of room 119 of the Student Union, the Student Government Association meets to discuss various campus problems, to make recommendations to committees, to coordinate organizations and to appropriate student funds. The S.G.A. Cabinet represents the executive branch of the Student Government and is responsible for the supervision of student activities.

This year weekly reports by President Yellowlees to the student body were heard over WMUC.

Robert A. Yellowlees, Jr., president of the Student Government Association.

SGA CABINET — *Clockwise*: Martha Tatum, sorority representative; Bulkeley Griswold, junior class president; Judith Gray, independent women's representative; Judy Purnell, secretary; George Kaludis, treasurer; Charles Ezrine, fraternity representative; Bob

Yellowlees, president; Sam Mucher, independent men's representative; Ed Clabaugh, vice-president; Stanley Mazaroff, senior class president; Harriet Husted, president AWS; Pete Wasmer, sophomore class president.

STUDENT COURT — Robert Sacks, Patsy Kanner, Charles Reckson, Olivia Scaggs, Austin Fox, chief justice; Anne Riley, Tom Morrissey.

Student Court

ALL APPELLATE CASES COMING FROM lower student courts are tried by the Central Student Court. It has jurisdiction in all disciplinary cases referred to them by the dean of men, dean of women, or the dean of an undergraduate college.

The seven members are nominated by Mortar Board and ODK and approved by the SGA Executive Council.

Legislature

DIRECT REPRESENTATION IN student government affairs is provided for students by the SGA Legislature. Nine seniors, eight Juniors, seven sophomores and six freshmen compose this student-elected branch of the association.

The legislature conducted a poll on the advisability of lengthening Easter vacation, and discussed the pros and cons of various bills, resolutions and allocations of student funds.

SGA LEGISLATURE — *First row:* Linda Cayin, Mayann Leahy, Scarlett Voss, Ed Clabaugh, chairman; Lance Billingsley, Debby Onslow, Grace Anderson. *Second row:* Hal Dwin, Liz Shay, Anne Gifford, Ida Willen, Eunice Alperstein, Maraline A. Myers, Sarah Schlesinger, Sybil Rappoport, George Andrews. *Third row:* Franklin J. Johnson, Ron Shoupe, John R. Tydings, Sue E. Gibbons, Judy A. Hutchison, Margy Stone, Nan Owens, John Kinnaman, Warren Duckett.

The Organizations and Controls Committee's main purpose is to review constitutions of proposed new campus organizations.

Last year the committee reviewed the constitution of the Resident Men's Association and of the new Campus Chest. It also reviewed proposed changes in the student government constitution.

ORGANIZATION AND CONTROL — Cassie Mackin, Pamela Maher, Ed Clabaugh, chairman; John Kinnamon, Pat Gerzban.

WHO'S WHO COMMITTEE — Barbara Mullinix, Lynne Cashman, chairman; Dick Dement, James W. Shaw, Jr.

THE FINANCE COMMITTEE requested tentative budgets from all student organizations last spring. By the first of November the committee submitted its recommendations to the legislature in completed form. All appropriations were quickly approved, leaving the legislature free to study other matters.

By relying on the thorough and painstaking study of the committee, the legislature felt that a fairer distribution of the \$110 thousand student activities fund was achieved.

SGA Committees

IT IS THE RESPONSIBILITY OF THE Who's Who Committee to recognize the campus leaders in scholarship and activities. They select the names that will appear in *Who's Who Among Students in American Universities and Colleges*.

FINANCE COMMITTEE — Seated: Pam Clayton, Sybil Rappoport, George Kaludis, chairman; Richard Parker, Sally Hastings. Standing: Lance Billingsley, Warren Duckett.

ELECTIONS BOARD — *First row:* Carolyn Gouza, Beverly Bernier, Roger Barker, chairman; Lynn Andietta, Lois Einfeldt. *Second row:* Warren Wimer, Don Mudd, Bob Yerman.

Elections Board

TRADITIONALLY, THE ELECTIONS BOARD is the coordinator of one of the highlights of campus politics — annual elections. It supervises the campaigns of fall and spring Old Line-Free State competition and enforces its policies by fine of votes or money. The board devises procedures and rules governing elections, collects petitions, reviews and publishes qualifications of candi-

dates, controls the poles on election days, and counts ballots. The poles are set up at places on campus convenient for all students. This year the board hopes to initiate the use of electrical voting machines in spring elections and to direct a voting enthusiasm campaign before election week.

To Maryland students one meaning of spring is the election of class officers. In the Skinner Building lobby, students gather to discuss, even argue, and vote.

Freshman Orientation

FRESHMAN ORIENTATION WEEK IS SEVEN DAYS full of events and fun when each new student has the opportunity of becoming acquainted with Maryland life. The activities of this week are numerous and diverse including campus tours, academic assemblies, the President's Reception, Dink Debut, a class assembly, Freshman Mixer, and many more functions.

The planning body of Orientation Week is the Board composed of the event chairmen and officers. The Board members and tour leaders are the "hat people" who enforce customs regulations and try to answer questions.

This year the Board made several new additions to the program. A pre-college orientation program was held during the summer which gave those students attending a head start in becoming familiar with the University. Other additions were a transfer student program and a customs court to deal with violators of the customs regulations.

THE TYPICAL FRESHMAN COUPLE this year is Joyce Callison and Matt Mathews who are enjoying ice cream at the dairy.

FRESHMAN ORIENTATION BOARD—*Seated:* Linnell Robinson, Kitty Godman, assistant chairman; Don Arthur, chairman; Dick Dement, assistant chairman; Sue Laffan, secretary. *Standing:* Ellen Bubeck, Sarah Schlesinger, Bruce Tucker, Pat Messer, Pat Wyand, Ron Brown, Marlene Murray, Judy Hutchison, Bud Laurent, Stuart Broth, Arlene Joffe.

THEY'RE SWELLIN' ON MELON: Prospective rushees enjoy free watermelon—a pre-rush activity sponsored by the IFC during Orientation.

Student Placement Committee

THE STUDENT PLACEMENT COMMITTEE provides students with forums, counselling, company recruiting by interviews and job registers and assists them in selecting a major field of study.

There are six major sub-committees with over 100 students engaged in these activities. A few of these committees are Career Week, which schedules forums by each college on vocational opportunities, Summer Placement Job Service, which schedules interviews with over 100 different companies for student employment, and Senior Placement Service, which sponsors visiting representatives from over 350 companies and maintains a placement register. All of these committees have been successful here at Maryland.

STUDENT PLACEMENT COMMITTEE—Dick Sinclair, Mrs. Harold Hayes, publicity advisor; John Tamaro, Tom Morrissey, overall chairman; Lewis M. Kuebel, director of placement; Miss Marion Johnson, assistant dean of women; Karen Hart.

Student Union Board

THE PURPOSE OF THE STUDENT UNION BOARD is to plan and to carry out the activities that are sponsored by the Student Union.

Some of the various activities that the board sponsors are dances, dancing lessons, movies, billiard tournaments, bridge tournaments, and cultural programs. These activities are open to all the students on campus.

STUDENT UNION BOARD—James Kennedy, Marvin Webb, Janet Lee Tolson, Ellen Bubeck, chairman; Dick Dement, Kitty Mosley, Patricia Naymick, Stephanie Lippman, Mary Carhart, Jim Holland.

CALENDAR COMMITTEE—Donna Aldridge, Kitty Godman, Wanda Reynolds, chairman; Sandy Kalin, Jim Coulter.

Calendar Committee

THE CALENDAR COMMITTEE meets about four times a semester in order to organize the SGA Calendar for the entire school year. The committee meets with all campus organizations, groups, and clubs to try to omit any calendar conflicts that might arise.

The Calendar is distributed at the beginning of each semester so that the student has an opportunity to plan his activities for the coming weeks from the very beginning of the semester.

Traffic Committee

STUDYING THE TRAFFIC PROBLEM confronting the University of Maryland is the main function of the Traffic Committee.

The chairman is the student body's representative to the traffic review board. Here, all protests on traffic tickets are reviewed and judged.

The committee as a whole studies the campus parking problems with special attention to spots where a large proportion of violations occur to ascertain reasons for them—driver negligence or ambiguous or unnecessary signs. The committee also coordinates with the campus police and the College Park authorities to ease traffic congestion.

TRAFFIC COMMITTEE—Pat Green, Ben Pettee, chairman; Margie Hoegen, Pat Miles. *Absent:* Don Mudd, Bob Detweiler.

... AND THE CROWD FILES IN, getting newspapers, programs, and mums on the way.

ANXIOUS QUEEN CONTESTANTS await the pre-game crowning.

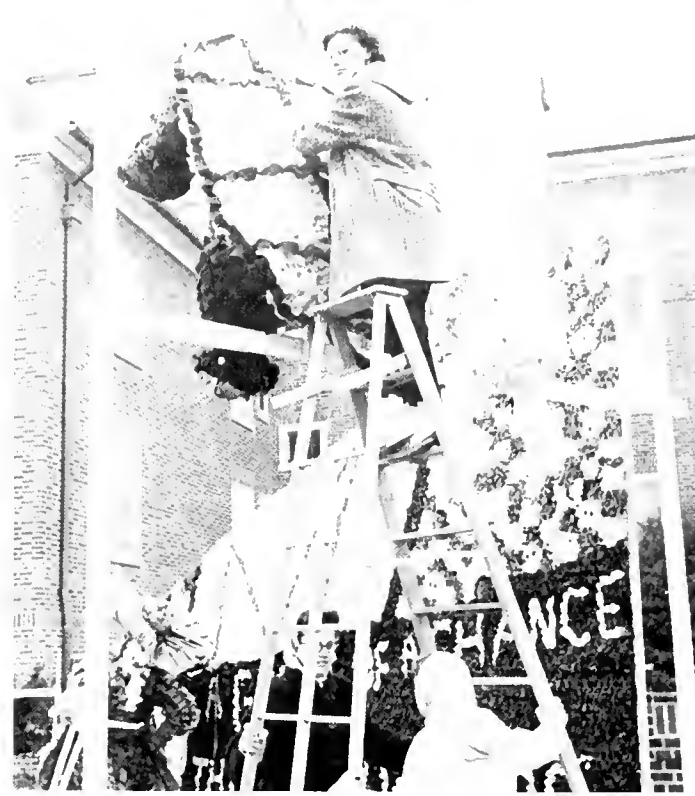

HAPPY HOMECOMING QUEEN, Pat Ohl, smiles for the crowd as she rides around the stadium.

... AND OH, THAT NIGHT BEFORE!

"STEADY, GIRLS!"

Homecoming Weekend

EVEN THOUGH THIS YEAR'S HOMECOMING WEEKEND WAS CLOUDY and rainy, it did not dispel the enthusiasm or color of the long awaited day. Zeta Beta Tau and Alpha Chi Omega won the hard-earned first places for outstanding float and best house decorations—which unfortunately were soon washed out.

In keeping with tradition, representatives of each women's dormitory and sorority were escorted to the field for the crowning of the queen

by Dr. Elkins. Pat Ohl received this honor as representative from Carroll Hall.

To help complete the success of the day, the Terps victoriously defeated the Cavaliers of Virginia. The crowd left the stands dampened to the skin—but happy.

The theme of "Maryland Reads the Comics" was carried through to the highlight of the evening—the Homecoming Dance. This year's special guests were Les Paul and Mary Ford.

SMILING COED RIDES ALOFT one of the exhibition floats.

PARENT'S DAY COFFEE HOUR COMMITTEE—Jacqueline Carrick, Sarah Schlesinger, Marilyn Nugent, Suzy North, Linda Russum, Mary Lou Randolph, Sue Coulbourne, Roland Shumate.

Parent's Day

ON OCTOBER 17TH PARENTS WERE HONORED with special activities planned for them on campus. Events of the day included a coffee hour held in the morning at the armory, the football game at 1:30 p.m. with fathers of the team being introduced on the field, and an open house at all dormitories, sororities and fraternities following the game.

Pep Committee

PROMOTING SCHOOL SPIRIT for sports events by bonfires, pep rallies, the card section and general publicity are functions of the Pep Committee. They coordinate these activities with the card section chairman, who organizes the half-time card tricks, the pep band, which plays at all home basketball games, and the cheerleaders.

THE CARD SECTION performs on one of the warmest football afternoons of the past season.

Cultural Committee

THE CULTURAL COMMITTEE strives to stimulate interest in cultural activities by presenting a varied program throughout the year. Performances included the noted concert pianist Philippe Entremont, soloists from the New York City Opera, the National Symphony Orchestra, and the Washington Ballet.

THE CULTURAL COMMITTEE—*First row:* Sue Shaivitz, Sarah Schlesinger, Dean McCormick, advisor; Jackie Spencer, chairman. *Second row:* Neil Welty, Gailyn Gwin, Dean DeMarr, advisor; Robert Stramski, Sue Gibbons, Dick Gold.

PERFORMERS OF "MOST HAPPY FELLA" danced and sang hit songs in the first cultural activity of the year.

"Most Happy Fella"

THE FIRST CULTURAL EVENT THIS YEAR WAS the "Most Happy Fella" musical, a former Broadway show. The production was given in Cole Fieldhouse where the audience enjoyed such hit songs as "Standing on the Corner," "Big D," "Joey," and "Most Happy Fella."

Philippe Entremont

PHILIPPE ENTREMONT HONORED MARYLAND University with a piano concert this fall. His performance that evening was a good example of the talent which has so justly earned him fame. Established music lovers were more than satisfied and new music lovers were created as they listened to this great artist, who was accompanied by the National Symphony.

Washington Ballet

THE 31ST OF MARCH WAS A SPECIAL DAY at Maryland University. On that evening the Washington Ballet entertained an enthusiastic Maryland audience. The second act of *Swan Lake* and *The Chinese Nightingale* provided just a part of the varied entertainment which was performed by the famed Maria Tallchief. The Washington National Symphony, guest-directed by Mr. Henry Mazer of the Florida State Symphony, supplied the background.

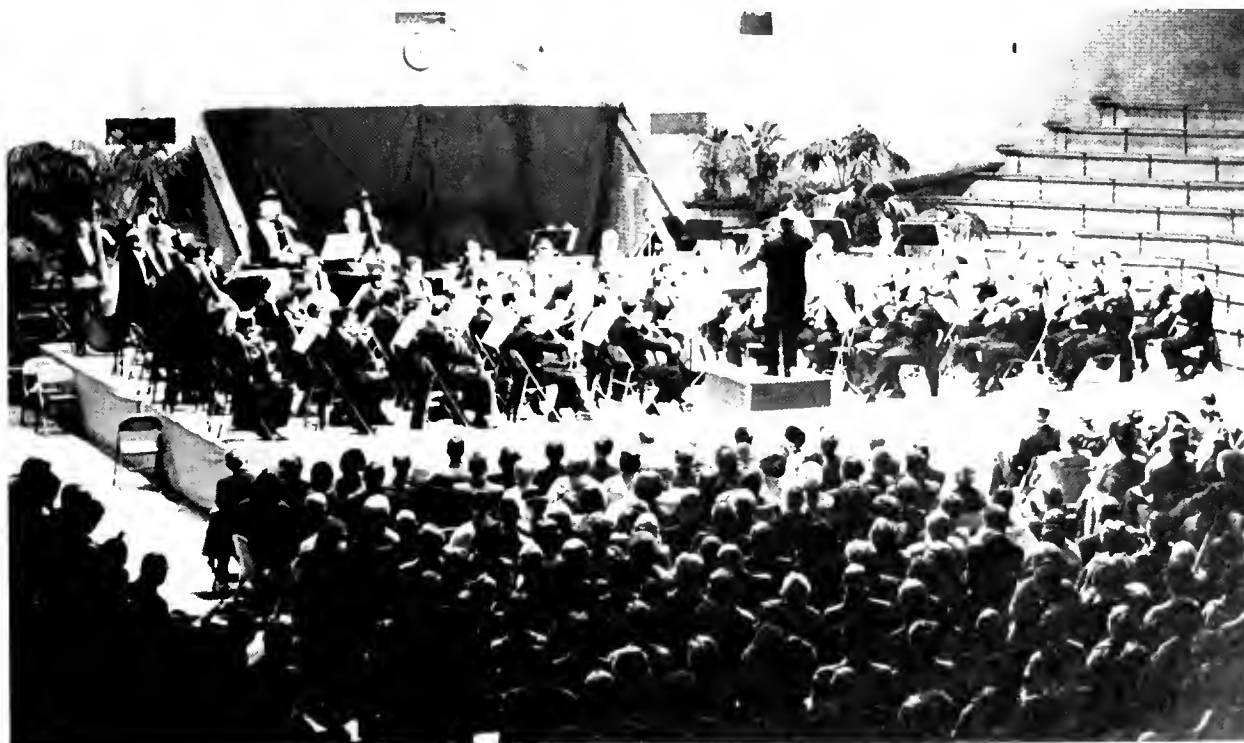

National Symphony

THE UNIVERSITY OF MARYLAND is pleased to have Washington's National Symphony as an integral part of its cultural program. Each year the National Symphony gives at least three concerts in Ritchie Coliseum, which are free to all students. Dr. Howard Mitchell conducts the orchestra with the Washington Ballet, opera companies, and special guest artists giving our program many varied presentations.

Beverly Silas and Jeanette Scovitte, sopranos, and Frank Porretta, tenor, appeared on the program. All the performers are with the New York City Opera.

The Men's League also sponsors the up-and-coming Daydodgers Organization and the newly formed Resident Men's Association which has been holding social events such as buffets with women's dormitories.

An executive council plans the programs and is the governing division of the League. The Student Court is the regulating division which is concerned with violations of men's rules.

Prom.

For the second year in a row the Junior Prom was held at the beautiful and spacious Indian Spring Country Club. Even though a foot of snow had fallen the night before, it did not discourage many from coming to dance to the music of Lionel Hampton and his orchestra. The highlight of the evening was the crowning of Miss Maryland. This year's winner was Phyllis Lever, representing Sigma Delta Tau. The runners-up were: Nan Owens, Kappa Kappa Gamma; Page Swartz, Alpha Omicron Pi; Carol Jansen, Carroll Hall; and Alice Packard, Alpha Omicron Pi.

The beautiful decorations and the wonderful music made the Junior Prom an unforgettable occasion.

IN KEEPING WITH TRADITION, outstanding junior and senior women make a formal entrance to the May Day festivities.

May Day

THE TRADITIONAL MAY DAY FESTIVAL pays tribute to outstanding senior women on the campus for their contributions to campus activities. The ceremonies, which are held on the mall in front of the library, opened with a procession composed of outstanding junior women and senior guards to the accompaniment of the Maryland Band. Among the highlights of the afternoon was the crowning of Nancy Nystrom, the 1959 Queen of the May by the chairman, Sally Ann Dailey,

and the presentation of the first issue of the *Terrapin* to the queen. The dedication of the *Terrapin* to Dean of Women Adele Stamp was announced. The program followed with the Gymkana Troupe and outstanding sophomores and freshmen presenting entertainment in honor of the queen. Finally, Mortar Board concluded the annual May Day festival with their tapping ceremony which was interrupted due to a dust storm and spring rain.

MAY QUEEN 1959, Nancy Nystrom, is crowned by overall May Day chairman Sally Ann Dailey.

As is the custom, May Queen is presented the first copy of our *Terrapin* yearbook.

CAROL PLUMHOFF ESCORTED DEAN STAMP to the platform where she was honored with the dedication of the *Terrapin*.

ELLEN RAGAN RECEIVES THE HIGHEST HONOR of any outstanding college woman, as she is tapped by Bette Coder for Mortar Board.

COLORFUL ACTIVITIES such as the Sophomore Prom and the Sophomore Carnival makes the "sophomore slump" a wonderful year.

The Class of 1962 has reached the halfway mark in its college career and is now fully adapted to the ways of Maryland.

Now the biggest hurdle is over, there is still a lot more to look forward to in the next few years.

SOPHOMORE LEGISLATURE—Judy Hutchison, Sue Gibbons, Debby Onslow, Sarah Schlesinger.

Terps Go West

TERPS GO WEST—and everyone went West at the Sophomore Carnival this year. Booths depicting Disneyland, a chapel in Reno, a movie house and a gambling casino were seen in the Armory. This year's winner was Kappa Delta, Alpha Omicron Pi and Alpha Tau Omega for their booth "Chapel in Reno. Get married and divorced in Reno."

FRESHMAN CLASS OFFICERS—*Seated:* Priscilla Weinberg, secretary; Nickie Siegel, AWS representative. *Standing:* Ellis Goodman, treasurer; Michael "Skip" Merrill, president. *Not present:* Jack Martin, vice-president; Phil Rever, Men's League representative.

DINKS AND NAME CARDS, strange faces and strange buildings greeted the new crop of Maryland students, the Class of 1963. By the end of orientation week friends had been made and these new students were getting to be old hands at finding their way around campus.

The Freshman Prom and Freshman Day were just some of the activities of this ambitious class.

Those who have survived the first year of college life have the next three at Maryland open before them to become tomorrow's leaders.

FRESHMAN LEGISLATURE—*Seated:* Linda Gavin, Maraline Myers, Ida Willen. *Standing:* Maryann Leahy, John Tydings, Eunice Alperstein.

Frosh Prom Big Success

THE FRESHMAN PROM WAS THE FIRST BIG PROJECT of the Class of 1962. Months before the event the freshman executive council appointed a prom chairman, who then chose his committee heads from interested applicants. The hard-working decorations committee transformed the armory into a theme of Rhapsody in Blue.

When the big night arrived freshmen couples and many upperclassmen attended the affair. The highlight of the evening came when Carolyn Arend of Kappa Kappa Gamma was crowned Freshman Prom Queen.

FRESHMAN PROM QUEEN—Carolyn Arend

QUEEN'S COURT—Carol Cromer, Kappa Alpha Theta; Judy Long, Delta Delta Delta; Buzz Buzben and date, Birute Penkiunas, Anne Arundel Hall; Marilyn Reicher, Alpha Epsilon Phi.

FRESHMAN PROM QUEEN Carolyn Arend is escorted to her throne by her date, John Johnson.

WELL DESERVING COED, BETTY CONKLIN, received the title of "Miss Future Success."

"Miss Future Success"

BETTY CONKLIN WAS CHOSEN "MISS FUTURE SUCCESS" this year, and she epitomizes the ideals of this title. Qualifications included scholarship, character, integrity, leadership, congeniality and attractiveness. In all of these Betty has excelled.

The selection of "Miss Success" took place at the AWS Women's Employment Conference. Different representatives of employment companies interviewed for jobs, a fashion show was presented and a panel of judges chose Betty as the girl having the most potential for being a future success.

Betty has been a well-rounded and outstanding student in scholarship and activities. Her excellent scholarship has been rewarded by membership in Alpha Lambda Delta and Phi Kappa Phi. Some of her activities included Junior Class president, Senior Class vice-president, Flying Follies, Mortar Board, Who's Who, Sigma Delta Pi-Spanish honorary and Kappa Alpha Theta rush chairman.

Due to an earlier deadline we were unable to include this event with the rest of AWS activities (pages 27-29).

Drama

FAMILY ALTERCATION OVER A DRESS that was burned by accident from "... And You'll Never Know."

Drama Wing

In its first three years of operation, Drama Wing has presented 138 performances; traveled over 5,500 miles; and played before more than 13,000 people in Maryland. This service fraternity of the Department of Speech and Dramatic Art is under the competent direction of E. Thomas Starcher. Two of the plays they presented this year to civic organizations and schools were "... And You Never Know" and "Scattered Showers."

Drama Wing was established last year as the first chapter of the first dramatic service fraternity in the United States and is known under the Greek letters of Epsilon Sigma Delta—"Education and Service through Drama."

LAST MINUTE TIPS before the show.

Theater in the Round

The Theater in the Round, an off-shoot of University Theater, presented three arena plays this year under student direction. "The Children's Hour," by Lillian Hellman, presented in November was aptly directed by Judy Fine. This dramatic psychological plot is a unique story about a child's lie and its tragic effect upon two innocent headmistresses of a girls' boarding school.

"Anna Christie," a play of social realism, was directed by Norma Lillis and seen by Terp theatergoers in February. This play illustrates author Eugene O'Neill's idea that the forces which control our destinies, and which seemingly lie outside ourselves, are really a product of men's own characters.

Barbara Gurey will direct Henrik Ibsen's "A Doll's House" in the spring.

University Theater

The purpose of University Theater is encouraging interest and further developing dramatic arts at the University of Maryland. It originated as the Footlights Club and eventually became known as University Theater. Throughout the year UT produces three plays and a musical under the auspices of Rudolph E. Pugliese and Charles

Schmitt, the faculty advisors.

University Theater invites anyone interested in any phase of theatrical work to assist them in their productions. To qualify for membership a student must work in two productions, on either the proscenium or arena stage, plus ten hours in the theater workshop.

ON A HOT SUMMER'S NIGHT the cast takes a break.

"Kiss Me Kate"

In the spring of last year University Theater produced the Cole Porter "Kiss Me Kate." The choreography was imaginative and well executed. In addition, the performance showed a well coordinated presentation on the part of the musical director, Melvin Berustein, and the dramatic director, James Byrol.

Mr. Rudolph Pugliese's directing of the slapstick and risqué U.T. opener was well received by Terpdom. Colorful scenery and costumes, two revolving stages, and flamboyant comedy were the highlights of the play. The cast was directed by Herbert Rodgers while Charles Schmitt created the stage setting.

Flying Follies

What could be better than a trip to four of the entertainment capitals of the world? The 1960 Terp audience was captured by the Flying Follies cast and taken to New York, Hollywood, Las Vegas and New Orleans. This year's presentation was well executed under the direction of Olga Miranda.

Flying Follies was permanently organized after an overseas tour made during Christmas vacation in 1958. This year, under president Sue Irwin, the organization ordered the first official Flying Follies pin for the cast members.

Throughout the year, Flying Follies also entertains for organizations on and off campus. Every other year the troop tours overseas armed service bases.

STUART CALLISON, editor-in-chief

It started with lots of ideas, lots of organizations and lots of headaches. It ended with the completion of the 1960 *Terrapin*, a panorama of life at the University of Maryland. The *Terrapin* is a record of activities, traditions and accomplishments of Maryland students. It is a view of Maryland—its faculty, classes, and students—bound in a volume in which college life is “caught.”

Under the editorship of Stuart Callison, the large, predominantly feminine staff busily planned layouts, took pictures (and more pictures), wrote copy, and luckily met deadlines throughout the year. Many hours of planning and organizing, beginning last spring, writing, typing, picture scheduling, and copyreading were necessary to produce the book. Problems of developing such a project range from having a group assembled for a picture, smiles all ready, only to find the photographer hasn't shown up, to trying to persuade the seniors to keep their appointments for individual pictures.

Naturally money and time were important elements in preparing this “book of the year.” But the most important element was the story it had to tell—the story of a year at Maryland. The *Terrapin* shows the good, a year of progress and fun, with the bad, rainy homecoming complete with soggy floats. It presents Maryland as it is, not as everyone would like to see it. So it might be said that the *Terrapin* and Maryland are synonymous and products of work, fun, ideas and memories.

Awaiting every wide-eyed, dink-donned freshman is the handy *M Book*, nicknamed the "Freshman Bible." This valuable book contains resumes of everything an entering student might need to know such as "Who to see," or "What you can join." A combination welcome and introduction to Maryland, the *M Book* is the result of spring and summer work in order that it may be ready for Orientation Week in the fall.

Editor Paula Dubov and her staff covered concisely the many phases of campus activities; they also included traditions, cheers, songs, and regulations. Paula also changed the format to a slightly larger book than those of previous years.

BONNIE FELDESMAN, editor in chief

Add a dash of reporters trying to dig up a story, plus some midnight copy reading in order to make a deadline; blend four managing editors trying to avoid printing the same news with a few cringes from the faculty over caustic remarks of columnists; bring this to a boil four times a week and behold—it's the *Diamondback*.

Printed four times weekly by four separate staffs under the guidance of Bonnie Feldsman, editor-in-chief, the *Diamondback* has many functions on Maryland's campus. In addition to the usual journalistic duties of informing and entertaining its readers, the *Diamondback* spotlights problems at the University, makes suggestions for remedies, often "crusades" for causes ranging from desegregation to more school spirit.

Students and faculty opinion is reflected through the many letters printed in the "Back-talk" section. The *Diamondback* is, in a sense, the "personality" of Maryland and a personality in its own right.

What goes on behind the "fish bowl" office of the *Diamondback*? Hints of stories on all phases of campus activities have to be followed through, written up and checked. Layouts are drawn by editors, stories are copyread, pictures taken and cropped, headlines written. After a trip to the printers to proofread, the finished product is distributed to various racks throughout the campus. Then the entire process is repeated.

THE *Old Line* SPENT another year convincing students at Maryland it was not merely a college humor magazine, but rather a campus magazine. As such, it combined literary adventures in poetry and short story with personal interviews and art, sprinkled this lightly with a few jokes, and evolved six times yearly with a potpourri resembling a cross between the *New Yorker* and *Playboy*.

Ever daring the new look, the *Old Line's* covers were consistently interesting and different. But it was a good type of difference. Unfailing to their tradition, the *Old Line* "Girl of the Month" graced each issue (and undoubtedly many men's dormitory rooms) and continued to be a coveted title among campus beauties.

WMUC

HOWARD STEVENS, station manager

FOR FIFTEEN YEARS, WMUC, the campus radio station, has been broadcasting to Maryland students. Ever expanding their activities, the station now offers not only music, but on-the-spot news coverage of important campus visitors such as the Kingston Trio. In addition, live coverage of all home games and away basketball games plus tapes of highlights of away football games are presented. Completing their well rounded schedule of events are foreign study aids in French, Spanish, and German each weekday evening.

WMUC serves to provide Maryland students with their own radio station on which they can hear programs pertaining to the campus and of special interest to them. Another feature of the station is that of providing interested students with a chance to gain experience in all aspects of radio broadcasting.

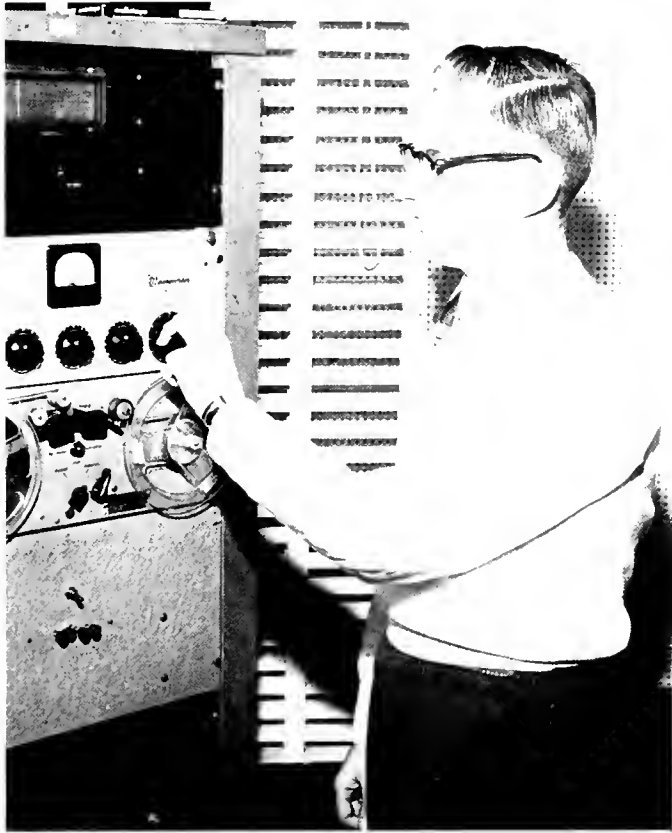

Operating six evenings a week at 650 kilocycles, WMUC is a satellite-system station. In addition to the central transmitter are sixteen smaller satellite transmitters located in various dormitories and fraternity houses. These "satellites" relay the central transmitter signals to their immediate area, thus limiting the listening audience to the campus.

Publications Committee

THE FACULTY SENATE COMMITTEE ON Student Publications and Communications is the guiding force behind campus communications. The committee is composed of the editors and advisors of *Diamondback*, *Terrapin*, and *Old Line*, the director and advisor of WMUC, and representatives from the faculty, administration and student body.

The committee meets monthly to correlate policy between the administration and the student body. In addition, policy decisions are made, such as determining the roll of faculty advisors. One of the most important duties of the committee is reviewing applications for the top positions on the five publications and WMUC. Student candidates are then interviewed and appointed by the committee.

Expression Magazine

AS THE NAME IMPLIES, *Expression* enables Maryland students with a yen for writing to "express" themselves. Poems, short stories, and essays submitted by student authors are published in the literary magazine. Undoubtedly the "baby" of campus publications, *Expression* has evolved after two short years of experience from a mimeographed paper to a fine literary addition to the campus.

Published semi-annually, the magazine serves to provide an outlet for creative thought and writing. As such, *Expression* fulfills an important need of campus publications.

Chapel Choir

THE CHAPEL CHOIR, composed of more than one hundred members, has been a part of the Maryland scene for eight years. Last summer they performed with the Boston Symphony at the Tanglewood Summer Music Festival. They also sang on three occasions with the National Symphony Orchestra.

At Christmas the choir gave the campus a holiday spirit by performing Handel's "Messiah." "The Creation," by Haydn, was presented for the Thanksgiving holidays. They sang Brahms' "Requiem" in the chapel for Palm Sunday.

This June, they will perform at the Pablo Casal Festival in San Juan, Puerto Rico. They will be singing Beethoven's "Choral Fantasy" and "Alto Rhapsody," and Haydn's "Seven Last Words of Christ."

Our Chapel Choir has also been honored by an invitation to sing in Carnegie Hall Easter eve.

At Christmas time the group highlighted their performance at the annual A.W.S. Christmas program with the traditional "Ceremony of Carols." They sang the complete work, featuring an a cappella group and soloists. The cho-

rus gave a joint performance with the Men's Glee Club at the SAE Christmas Service on campus and also at a special concert in Baltimore.

At the May Day festivities they rendered several selections; and together with the Men's Glee Club they presented a Spring Concert, featuring music from "South Pacific."

Men's Glee Club

THE MEN'S GLEE CLUB sang at the first home football game of the year, accompanied by the Marching Band. They performed for the Homecoming Alumni Banquet and featured favorite old-time songs.

They teamed with the Women's Chorus for three major concerts: the annual SAE Christmas Service, a Christmas concert in Baltimore, and the Spring Concert.

The highlight of their activities this year was a tour of Philadelphia and Pittsburgh, Pennsylvania, and Cumberland, Maryland, during the semester break.

THE BAND, CONDUCTED BY MR. HUGH HENDERSON, is composed of approximately one hundred forty-three music enthusiasts. Their main function is to play at Maryland football games, both home and away.

THE YOUNG LADY IN THE FOREGROUND awaits her cue during an afternoon rehearsal.

Marching Band

DAY AFTER DAY THE University of Maryland Marching Band, now in its fiftieth year, practices long hours to reach perfection. Their maneuvers are a familiar picture to the student with a late class walking down the hill.

The concert band, a segment of the Marching Band, has been in existence about four years. Four annual concerts are given to University of Maryland students. The band also tours area high schools to play at convocations and other requested affairs.

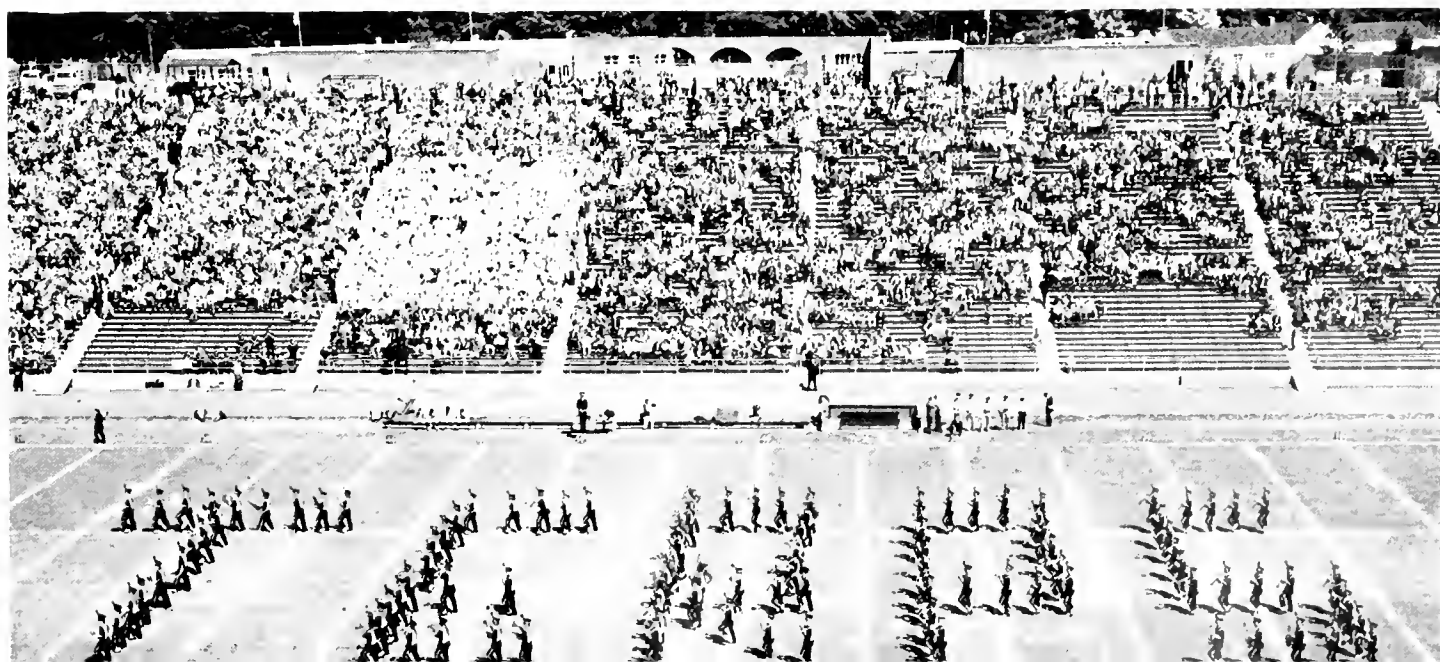

Other bands made up from members of the Marching Band include the R.O.T.C. band, the pep band, and the dance band. The R.O.T.C. band has sixty members, and plays for military ceremonies. The pep band plays for basketball games, and the dance band is available for general entertainment.

MAJORETTES — *Left to right:* Jean Weaver, Harriet Love, Joan Finn, Harriet Husted, Margaret Foster, Sandra Weiss, Patricia Hershberger.

THE BAND SHOWS FANS its skill at executing formations.

University Orchestra

MR. JOEL BERMAN, University Orchestra conductor, gives the signal to begin.

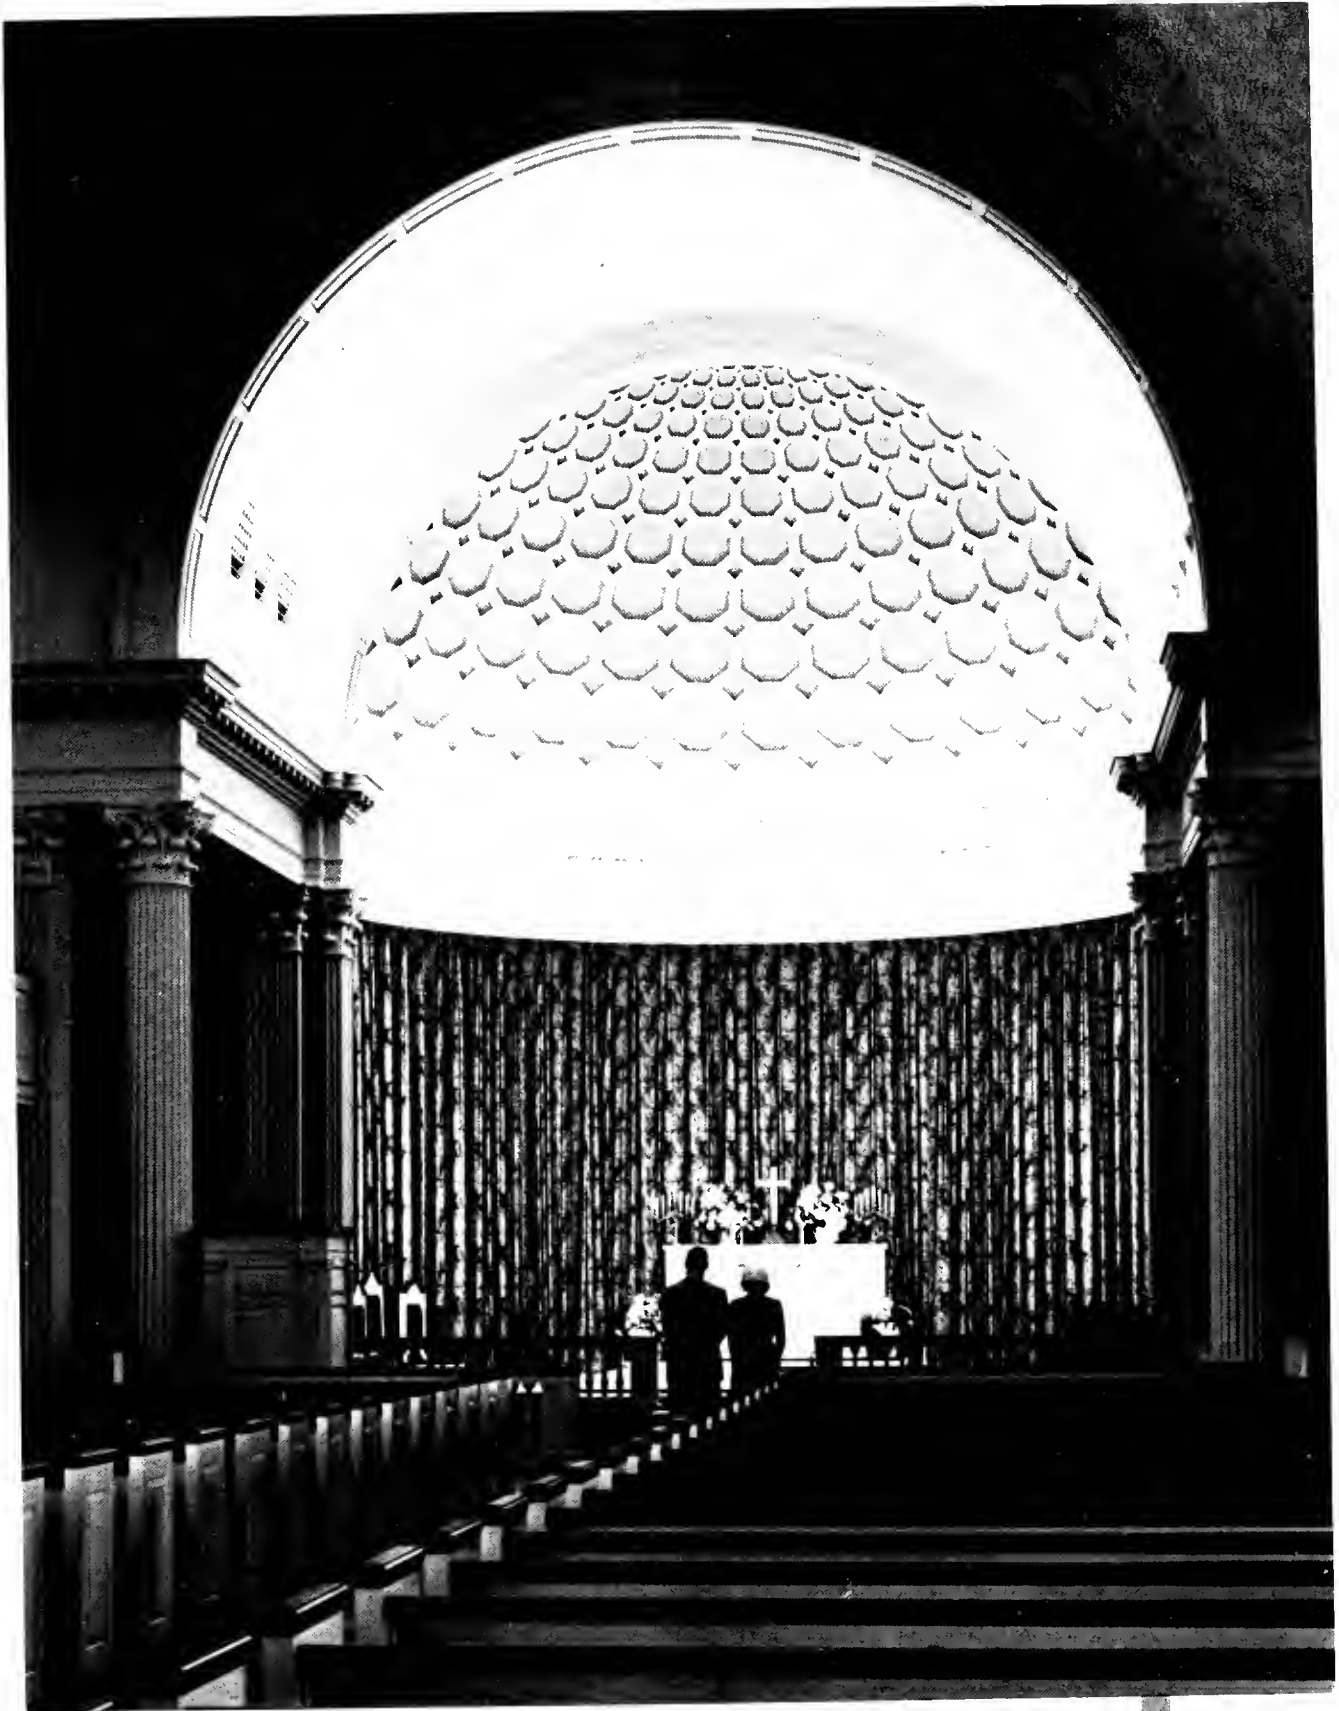

COMPOSED OF NEARLY fifty-five members, the Orchestra is an amateur civic symphony open to all interested students on campus and adults living nearby.

The group opened its fall season December 8th in the Student Union Lounge. The program included a solo of Bach's "E Major Violin Concerto."

The Orchestra presented a spring concert in May. Beethoven's "Triple Concerto" was played by John Martin, principle cellist of the National Symphony Orchestra, accompanied by Charlton Meyer, faculty pianist, and Mr. Berman, violinist.

THE VIOLIN SECTION follows the music and the director with intense concentration.

Student Religious Council

THE STUDENT RELIGIOUS COUNCIL serves as a common meeting ground for the various religious groups at Maryland. The council, which is composed of the president and a representative from each religious club, attempts to find new ways of serving the students and to coordinate the religious activities on campus. This year an intramural sports league has been organized.

B'nai B'rith Hillel Foundation

THE MUCH ANTICIPATED "Hillel Skit Night" presented each year to the Maryland campus is one of the highlights of the Hillel Foundation yearly program. Skits are presented in competition by various Jewish organizations.

The many purposes of the Hillel Foundation include the desire to impart to the Jewish student "an understanding and appreciation of his religious and cultural heritage."

Daily meetings at noon serve to help the members have a closer contact with God and each other. Fun, fellowship, and worship through retreats, Bible study, and sports programs are enjoyed by the members throughout the year.

Canterbury Association

REPRESENTING THE Episcopal Church on campus is the Canterbury Association. Members hold their meetings at St. Andrew's Parish House where various aspects of Christian life are discussed. Some of the topics of discussion at their weekly meetings are "Alone on the Campus," "The Riddle of Roman Catholicism," and "Courtship and Marriage." An atmosphere of worship, study, and fellowship prevails in all phases of the group's program during the year.

Islamic Association

THROUGHOUT THE YEAR, the Islamic Association works to promote a better understanding between American students and the people of the Moslem world. This is accomplished by acquainting them with the Islamic culture — its people and countries.

Guest speakers aid in fulfilling this aim of a "better understanding."

Newman Club

A VERY ACTIVE AND large religious organization on campus is the Newman Club. "TO BE AN INCLUSIVE, consciously - Christian community" is the desire of the Westminster Fellowship. Composed of Presbyterian students on campus, the Fellowship endeavors to combine academic life with a Christian faith. Bible studies are held in the Chapel every Tuesday morning and during the year, members attend a five week School of Religion for two hours a week.

Westminster Foundation

EXPRESSION OF A DEEP Christian faith through worship, service, and the arts is the goal of members of the Wesley Foundation. Sponsored by the University Methodist Church, the year's program is filled with many opportunities to help obtain that goal.

Coffee Hour and Supper Club every Sunday, in addition to weekly meetings, provide the opportunity for fellowship.

COL. THEODORE R. AYLESWORTH, professor of Air Science.

FLAG RAISING ON UN DAY, 1959.

United States Air Force ROTC

SOME FORM OF MILITARY instruction has been offered at this university for over a century. A single U of M student received a commission in 1911, beginning a great tradition. Concepts and weapons of warfare change as our knowledge of science increases. In recognition of this change, instruction in Air Science has been given at our university since 1947. Although we have the largest Air Force Reserve Officers Training Corps in the country, we look with some humility to the tradition and records of the past, determined to continue high standards and more effective education of a continually growing Cadet Corps.

The Pershing Rifles, the Vandenberg Guard, and the Angel Flight continue to express the glamor of the Cadet Corps. The recently organized cadet NCO Academy, the Pershing Rifles, and the Vandenberg Guard produce many of the cadet officers.

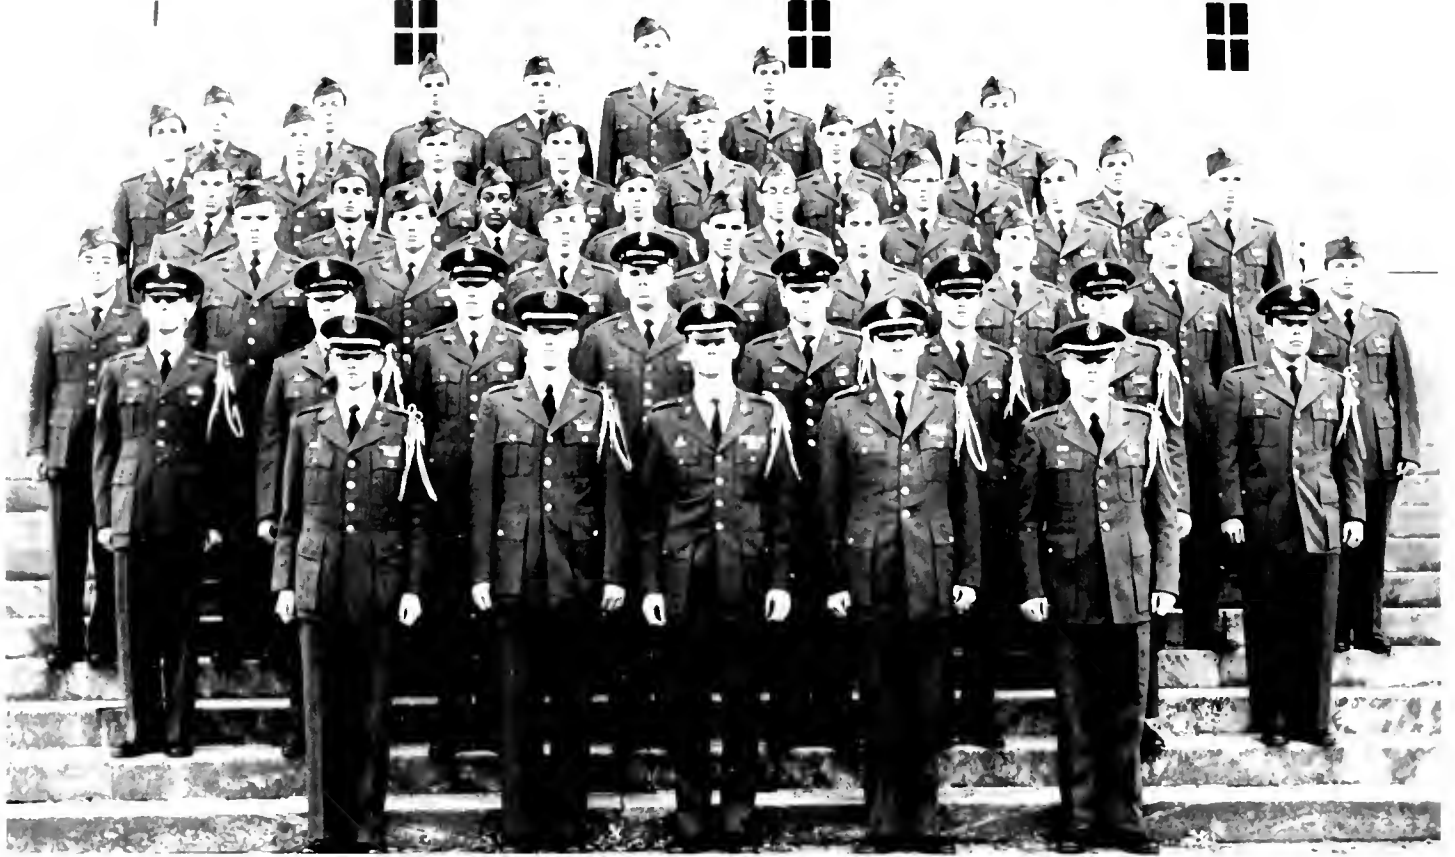

DURING 1959, THIRTY-FIVE cadets accepted commissions in the Air Force Reserve and entered active duty; seven of these officers were Distinguished Military Graduates and accepted Regular Air Force commissions signifying their intent for careers in the USAF. One cadet, Uwe-thorsten Scobel, prior to receiving his commission at the end of 1959 Summer Training at Lockburn Air Force Base, Ohio, was designated the most outstanding AFROTC cadet for displaying the highest type of leadership. The Commandant, Headquarters, AFROTC, presented the award to him. The University of Maryland takes great pride in this singular honor.

Colonel Theodore R. Aylesworth, the newly assigned Professor of Air Science says:

"The study of Air Science is an important part of a student's liberal education in preparation for life in the Aerospace Age."

Vandenberg Guard

REPRESENTING 3000 MEMBERS OF the cadet corps at the University of Maryland and the U.S. Air Force ROTC, the Vandenberg Guard has the distinction of being the only trick sabre drill team on the east coast. Composed of approximately 45 men, the squadron is divided into three flights: "A" flight — trick sabre drill team, "B" flight — precision drill team, "C" flight — basic drill. The Vandenberg Guard participates in

many functions throughout a four state area. Included are such activities as the Maryland Drill Competition, the Cherry Blossom Festival, Miss Prince Georges Beauty Contest, Princess Ann Military Day and the Bethesda Christmas Parade. In 1958 they won first place for marching units at the Dogwood Festival, and second place in the Maryland State Drill Meet.

Scabbard and Blade

THE NATIONAL SOCIETY of Scabbard and Blade is the highest military honor that an advanced Air Force R.O.T.C. cadet can receive. The purpose of this society is to preserve and develop the essential qualities of good and efficient officers. The members are chosen according to their leadership, patriotism, efficiency, loyalty, obedience, courage, good-fellowship and honor. Merit is sole basis of member-

ship. The candidates for membership must have a 3.0 average in Air Force R.O.T.C. plus an overall average of 2.5. Activities are directed mainly toward the improvement of the corps of cadets. Social functions are spliced in with the hard work. The members of Scabbard and Blade are identified by the red and blue fouragers.

"THE WARRIOR WHO cultivates his mind polishes his arms" — the motto of the Arnold Air Society — is carried out through Arnold Air's national project of acquiring books for a Korean library. Some of their many other activities include a formal initiation banquet, the Military Ball, and serving as honor guard for receptions given by President Elkins. Perhaps their most pleasant activity is sponsoring the Angel Flight.

The Frank P. Lahn Squadron, University of Maryland Chapter of Arnold Air Society, was awarded the trophy for the outstanding squadron in Area "C" — which numbers approximately 21 squadrons. Any cadet enrolled in the Advanced AFROTC course and interested in the organization is eligible for membership. Each new member goes through a five week pledging program climaxed by a "hell-night," when the pledges are turned over to the active members.

Pershing Rifles

SQUADRON C, FIFTEENTH REGIMENT, The National Society of Pershing Rifles, an honorary military fraternity, was founded on this campus in 1935. Last year, the University of Maryland became the headquarters for the newly-formed Fifteenth Regiment. This was a distinct honor for the university as well as the Squadron, as Regimental Headquarters is responsible for Pershing Rifles units throughout Maryland, Delaware, Virginia and the District of Columbia. The Squadron recruits basic cadets at the beginning of each semester who undergo a four-month period of indoctrination and instruction in leadership, military discipline, drill, and ceremonies. The Pershing Rifles provides honor and color guards for many ceremonies, convocations, and visiting dignitaries on the Maryland campus. Their marching units participate in numerous parades and national competitions. The basic arm used by the Squadron is the Model 1903-A3 30 Calibre Springfield Rifle.

Angel Flight

AS PERHAPS THE MOST concentrated collection of feminine pulchritude on campus, Angel Flight serves as the women's subsidiary of the Arnold Air Society. Recognized by the tiny wings they wear, Angels are selected for their beauty, personality, poise, intelligence, and interest. Basically, Angel Flight is a service organization performing such services as ushering at campus functions and donating to Campus Chest. To aid the AFROTC Detachment, the girls act as secretaries and hostesses. Included in their schedule are such activities as desserts with social fraternities and functions with the Arnold Air Society and other military groups. As if this did not keep them busy enough, the Angels yearly write, stage, and star in their own variety show.

Military Ball

THE CROWNING OF A queen and the tapping of eleven new members by the Scabbard & Blade highlighted the annual Military Ball held Dec. 4, 1959, at Prince George's Country Club.

Chosen as queen of the ball was Miss Kathi Heltzel, a member of Kappa Alpha Theta Sorority and of the Angel Flight. Carol Ferrar and Joan Davis were selected as first and second runners-up. Following the awards dinner there was an evening of dancing to the music of the country club orchestra.

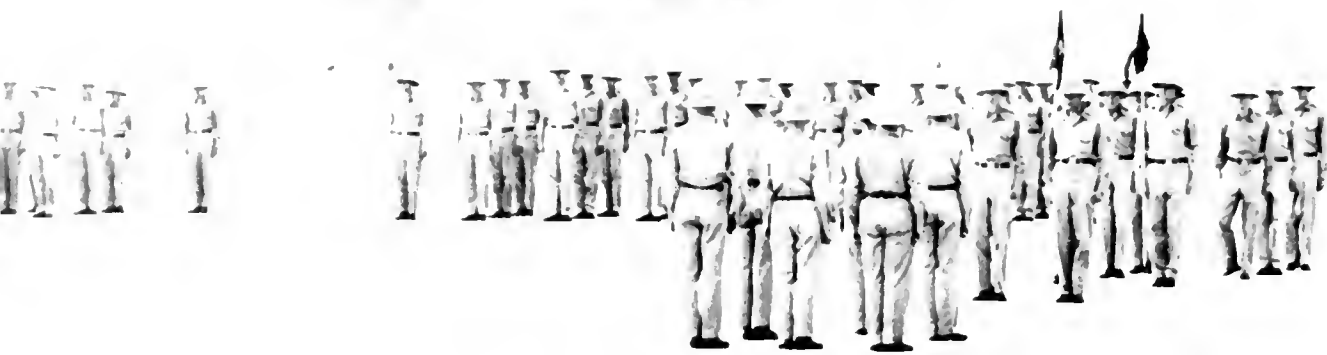

This is a night Queen Kathi Heltzel will remember.

FLAG RAISING IS AN IMPRESSIVE SIGHT on a still, cool summer morning.

Camp

AT SUMMER CAMP, future officers get to know first hand what they can expect in the Air Force. Summer camp is a four week program of intensive training at an Air Force base. It is an integral part of an advanced cadet's program and is usually taken during the summer of his junior year.

The objective of summer camp is to supplement the cadet's training here at Maryland by developing in the cadet a better understanding of the mission of the Air Force as exemplified in the operation of an Air Force base. In addition, the program helps to increase the cadet's proficiency in essential areas of junior officer training.

The program consists of participation in orientation flights, training in the use of weapons, close-order drill, and special emphasis upon physical training. Prior to summer camp, the cadet is given a comprehensive sampling of the program in Air Science III.

IT PAYS NOT TO BE CAPTURED during the Escape and Evasion Training Program.

Composed of students from all over the world, representing a variety of cultures, club members exchange ideas, while acquiring a broader view of life. Their International Fiesta is held each Spring.

Mr. and Mrs. Club

SOME OF OUR MARRIED students, drawn together by their common interests, have provided themselves with a social organization. Our Mr.'s and Mrs.'s do not, however, limit themselves to social life. West Virginia 7

VINCE SCOTT KICKED THREE FIELD GOALS, one for 48 yards, to lead Maryland to a 27-7 victory over West Virginia in Coach Tom Nugent's debut at College Park.

Maryland scored first when Dick Novak passed six yards to Tony Scotti in the end zone.

The Terps rolled up 349 yards in total offense to 228 yards for the Mountaineers. The West Virginians couldn't move against the fast, agile Terrapins, who controlled the game from the beginning.

The Terps led 18-7 at half-time and coasted the rest of the way. A 60-yard touchdown pass from Novak to Davidson and Scott's final field goal broke up the fourth quarter and added the final touches to the game.

Scott's three field goals tied the N.C.A.A. record for field goals in a single game. His kicks went for 48, 41 and 38 yards.

GALLAGHER STOPS LONGHORN RUNNER.

THE LONGHORNS OF TEXAS OVERPOWERED Maryland in a night game at Austin, 26-0.

Three fumbles and an intercepted pass paved the way for the Texas victory. The Texans scored on all four Maryland miscues.

Fullback Jim Joyce carried the running game for Maryland and ground out 114 yards in 28 carries to break ex-Terp Ed Modezelewski's old record of 27 carries.

Maryland was not beaten as badly as the score indicates. The Terrapins had possession of the ball 92 plays against 53 for the Texans and out-gained them, 291 yards to 286.

The Terrapins missed the kicking of sophomore end Gary Collins who was out of action. Big Tom Gunderman was a tiger in the Maryland forward wall. Gunderman made many individual tackles and recovered two Texas fumbles.

The depth of the Texas team, aided by the 85 degree heat in Austin, wore Maryland down early in the game. The Terps had to go with their best throughout the game while the Texas coach ran substitutes on and off the field like a roller derby.

THE ORANGEMAN GRABS ONE.

Maryland 0 Syracuse 29

NATIONAL CHAMPION SYRACUSE, on their way to an undefeated season, completely stymied Maryland, 29-0.

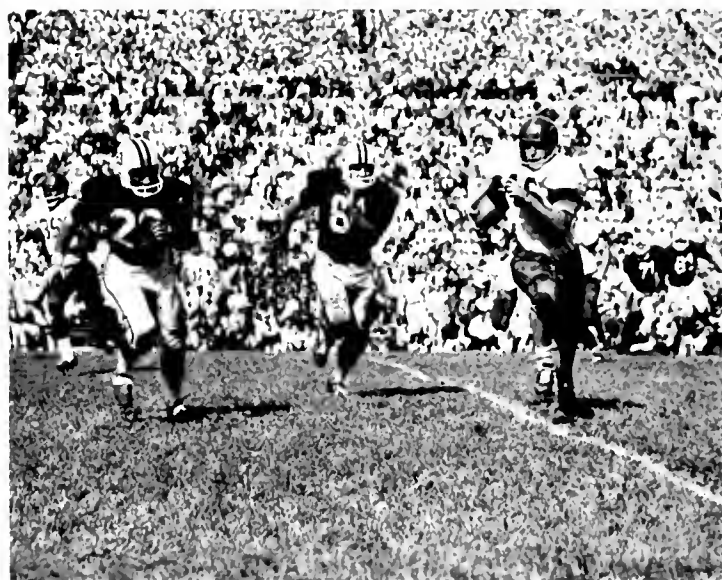

A blocked punt, two fumbles, and an intercepted pass led to all the Syracuse scoring. It was a bad day all around for the Maryland offense which made its poorest showing in the school's history.

The Terps made only two first downs all day. The tremendous Orange defense held Maryland to eight yards rushing and 21 yards through the air. The Terps never moved the ball past their own 18 yard line.

Syracuse All-Americans Roger Davis, Ger Schwedes, and Ernie Davis led the onslaught for the Orangemen. The game marked the best defensive effort in Syracuse's long football history.

The same errors that cost Maryland the Texas clash came at crucial times again against Syracuse, and the Orange capitalized each time. The New Yorkers scored only one touchdown on a legitimate drive.

Maryland 7 Wake Forest 10

THE UNERRING ARM OF NORMAN SNEAD and the talented toe of Nick Patella teamed to lead Wake Forest to a 10-7 victory over Maryland before 21,000 disheartened fans in Byrd Stadium. The outcome was marred by a questionable call on what appeared to be a Maryland touchdown.

JUMPIN' JIM GETS THE FIRST DOWN.

Deacon guard Patella booted a field goal from 22 yards out early in the game to give Wake Forest the narrow victory.

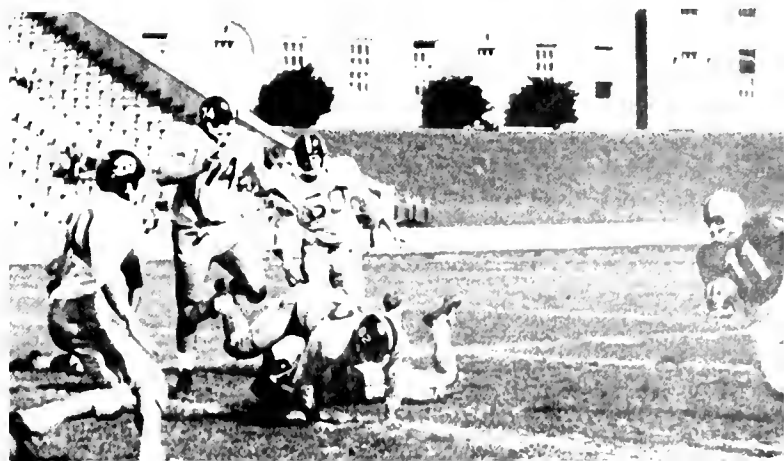

The Terps drove to the Wake Forest three the second time they had possession and thus developed what turned out to be the most controversial play of the Terrapin season.

Terrapin quarterback Dick Novak rolled out and kept on a wide end sweep from the three. Novak was piled up as he slanted in toward the goal line but he barreled through defenders and tumbled into the end zone.

The ball bounced away; but it was apparent to most onlookers that he lost the ball after crossing the goal line. Had this been the ruling, Novak would have scored. However, the referee gave possession of the ball to Wake Forest on the one yard line. Game films disclosed that Novak was in the end zone when he fumbled.

Jim Joyce was again the Terp offensive leader. He carried 24 times for 73 yards and a touchdown.

THE HEAVILY UNDER-RATED MARYLAND TERRAPINS made a parody of pre-game speculation as they out-fought and out-scored the tough North Carolina Tar Heels, 14-7. Maryland dominated the play during the game and the bright spots in the Terrapin performance were numerous.

Maryland 14 North Carolina 7

GALLAGHER PULLS ONE IN.

Dale Betty, an under-rated quarterback who had been trying to live down a poor performance against Syracuse, came off the bench in the third quarter to lead the "Go" team on a 67 yard drive to pay-dirt. Bob Gallagher was on the receiving end of two Betty passes on the drive, one for the winning touchdown.

Another standout was quarterback Dwayne Fletcher who ran through the Tar Heel defense for 125 yards. Jim Joyce scored the first Maryland touchdown in the second period on an 11 yard run. Joyce went into the end zone with two Tar Heel defenders on his back.

The Terrapins rolled up 323 yards on the ground to 108 for Carolina. End Tony Scotti and guard Tom Gunderman were outstanding for the Terps on defense.

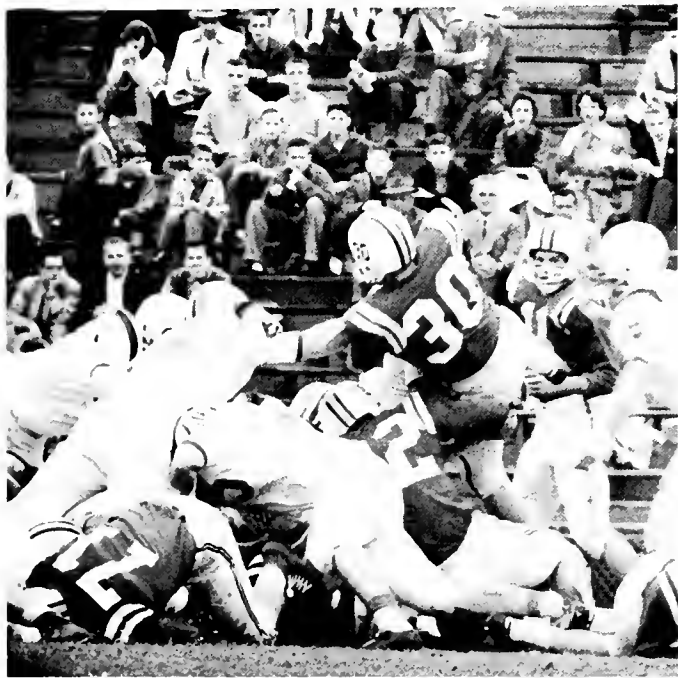

SOUTH CAROLINA'S GAMECOCKS, who usually stick to a grind-it-out type of offense, took to the air at just the right moments to down Maryland, 22-6, before 22,000 fans at Columbia.

The Gamecocks jumped off to a two-touchdown lead on scoring passes before the Terrapins had collected themselves. It was a small but potent passing attack that killed Maryland. Carolina threw only four passes, completing three for two touchdowns.

Maryland's only score came in the final period with South Carolina leading, 14-0. Guard Tom Gunderman blocked a punt by Gamecock Jimmy Williams and the ball bounded to the Carolina 15 where Terp center Vic Schwartz scooped it up and rambled to a touchdown.

South Carolina scored again soon afterwards to put the game on ice. Maryland's rush-game fared well against the tough South Carolina defense — which had allowed only 76 yards rushing per game. The Terps went for 149 yards on the ground and 96 yards through the air.

Maryland 14 Navy 22

THE FIRST VARIETY BOWL CLASH in Baltimore ended a second too soon for Maryland and Navy came away with a 22-14 win. The game ended with Maryland on the Navy one yard line after the Terps had marched from its own 34.

It was a heartbreaker for the Terps who entered the game as seven-point underdogs. The Terrapins saw their 14-0 lead vanish in the last period, and with approximately six minutes left to play, were forced to begin a desperation drive from the 34.

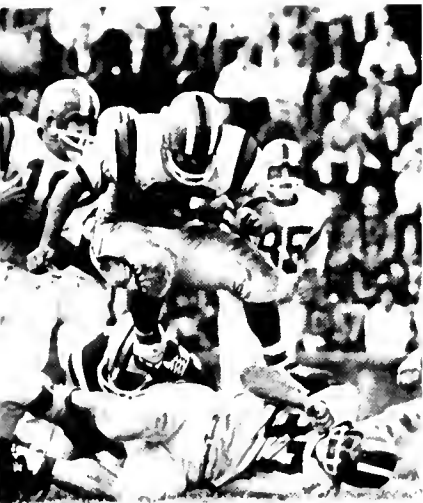

With the "Stop" team taking the attack, the

Terps, trailing 22-14, kept all 32,000 fans in their seats as they slowly but surely neared the goal line in a grim race with the clock.

Fullback Pat Drass sparked the march by smashing into the line for three and four-yard gains on nine of eleven plays before he was replaced by Ken Houser. But Maryland didn't make it. The Terps were piled up on the Navy one with five seconds remaining. The clock ran out a split second before Houser cracked into the end zone.

THE SURPRISING TERRAPINS OF TOM NUGENT, sparked by a great performance from quarterback Dale Betty, shocked the Clemson Tigers and 26,000 homecoming fans by dumping the favorites, 28-25, at Clemson.

Betty threw three touchdown passes, two to Gary Collins and one to Hank Poniatowski, for the sweetest Maryland victory of the year. The last touchdown pass, thrown by Betty, came with just three minutes left to put the Terps out of reach.

Clemson was ranked 11th in the nation prior to the game. The Tigers, defeated only by Georgia Tech, 16-6, had not allowed a point for 17 quarters before the Maryland clash.

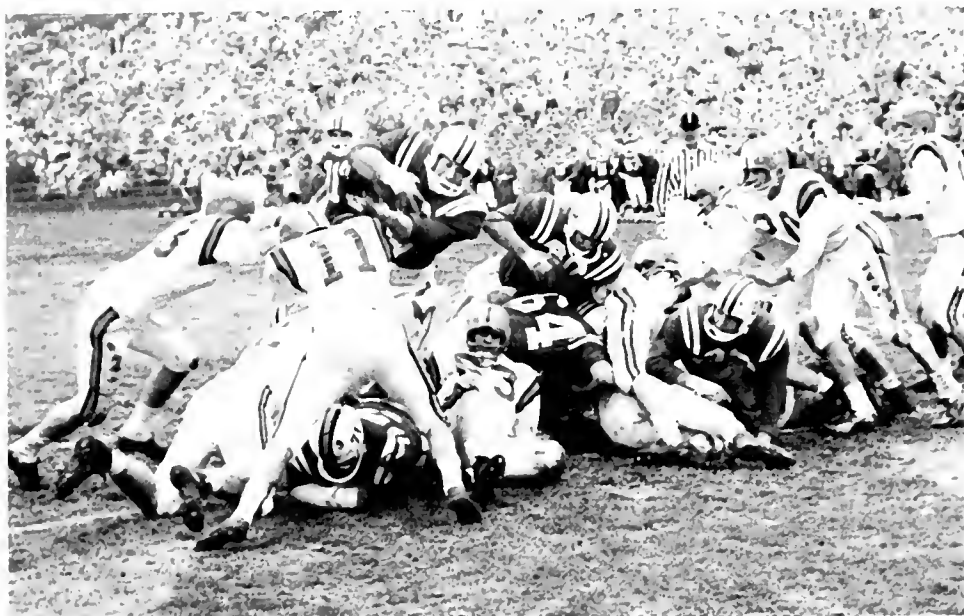

The sure-footed kicking of end Vince Scott gave Maryland its victory margin. Scott booted four extra points in as many attempts.

The Maryland line, out-weighted as usual, provided the same fine performance that it had shown all season. Kurt Schwarz, Rod Breedlove, and Tom Gunderman were in on tackle after tackle, with Schwarz recovering two fumbles.

Betty completed seven of eight passes.

Terps Win Homecoming

DRASS FIGHTS FOR THE TD.

MARYLAND'S TERRAPINS TURNED their Homecoming game into a huge success by routing a hapless band of Virginia Cavaliers, 55-12, before a crowd of 16,000 at Byrd Stadium.

Dale Betty led the Terps to victory. The junior quarterback had a hand in most of the Terrapins' eight touchdowns. He passed for two on a 17 yard toss to Gary Collins and a 16 yard heave to Gene Verardi, and scored on an 11 yard burst after he saw that all his receivers were well covered.

Senior halfback Verardi experienced his finest day in a Maryland uniform by scoring twice and repeatedly cracking the Virginia line for long gains.

Henry, Joyce and Gallagher were also key men in Maryland's scoring picnic.

DALE BETTY'S WELL-TIMED AERIALS led Maryland to a 33-28 victory over North Carolina State at Byrd Stadium in the finale for the Ter-rapins.

For the third straight game Betty's passes proved to be the deciding factor for Maryland. The 15,000 fans who attended the game saw Roman Gabriel, North Carolina State's talented sophomore quarterback, duel Betty down to the final gun. For the afternoon, Gabriel completed 23 out of 38 passes for 279 yards. On the other hand, Betty clicked on 8 of 17 passes for 166 yards.

Terp fullback Jim Joyce easily won the conference rushing championship with 82 yards in 16 carries against the Wolfpack for a grand total of 567 yards for the season.

IT WAS A GOOD YEAR . . .

. . . BUT IT'S OVER.

After the Game

HATS BACKWARD means a Terp victory.

YEP.

IT WAS A GOOD YEAR. The regime of Tom Nugent and company has closed out its first year for the Old Line. Nugent has brought new hope to Maryland fans long hungry for the Terrapin teams of old. Nugent brought the I formation, featuring a wide open game full of passing and tricky running plays. There was even a huddle on a kickoff return — and a lot of red-faced Cavaliers too.

Nugent and his I-magination brought new enthusiasm and the sparkling brand of football the Terps presented made many a fan leap to his feet in mild hysteria. The 6-1 won, lost record does not begin to tell the story of 1959 football, but it does offer an indication that more and better football fortunes are in store.

The year saw honors given to many Maryland players. Rod Breedlove, Gary Collins, Kurt Schwarz, Tom Gunderman, and Jim Joyce were all named either to the All-Atlantic Coast Team or Honorable Mention All-American team. Joyce was the star of the annual Blue-Gray game and both he and Breedlove represented the North in the Senior Bowl game.

It's been a long time since Maryland fans have had as much to cheer about as they have this year, the first for Tom Nugent and the I-magination. Yep, it was a good year.

THE LONGEST WINNING STREAK in collegiate soccer was broken this year as the Terp booters lost in the NCAA Tournament to Westchester State Teachers College by the score of 1-0.

The Terps had a regular season record of eight wins and no defeats, canceling the last two games in order to participate in the tournament. Top games of the year were against Navy, Penn State and North Carolina. Navy was defeated at home for the first time in the history of the rivalry.

The Atlantic Coast Conference Championship was again captured by the Old Line team. It has won the crown every year since the ACC was formed and has never lost a conference game.

Six soccermen were picked for the All-South Team. They were: co-captains Taras Charchalis and John Fulton, senior Al Bacamskas, juniors Dick Bromine and Bill Vosswinkel and sophomore Carlos Martin. Cliff Krug was the team's leading scorer with 13 goals.

Cross-Country

FRANK COLAVITA LED MARYLAND to its usual winning cross-country season in 1959.

Colavita won three of the four races in which he participated. An injury prevented him from winning the fourth.

The Harriers opened the season against a strong Navy team and lost 20 to 41 for their only defeat of the season. After the opening loss to the Middies, the Terps defeated Virginia, North Carolina, Duke, and North Carolina State.

Guy Harper, Mark Wells, and Fred Hanson backed up Colavita for the strong Maryland team that finished second in the Atlantic Coast Conference meet in Durham, North Carolina.

Coach Jim Kehoe's cross-country teams have established a record of 53 wins and only 9 losses during the last 13 years.

Yea, Terps.

15-8 Season; Surprise to Fans

AL BUNGE LED MARYLAND TO A 15-8 RECORD after a nearly disastrous personnel loss early in the season.

First stringers Charlie McNeil and Bob McDonald were dismissed from the University and the job of holding the team together fell to senior Bunge and sophomores Paul Jelus and Bruce Kelleher. Senior guard Jerry Bechtle, with an 11.9 scoring average, also helped keep the Terps intact. (Jelus and Kelleher had 11.9 and 10.9 averages for the season.)

Bunge, with a 16.9 average, was an All-

Atlantic Coast Conference selection and he was chosen for several all-star teams. *Sports Illustrated* named him to its southern regional first five.

Six-ten Bob Wilson became the Maryland "big-man-to-watch." The junior center had one of the best hook shots ever seen in the ACC.

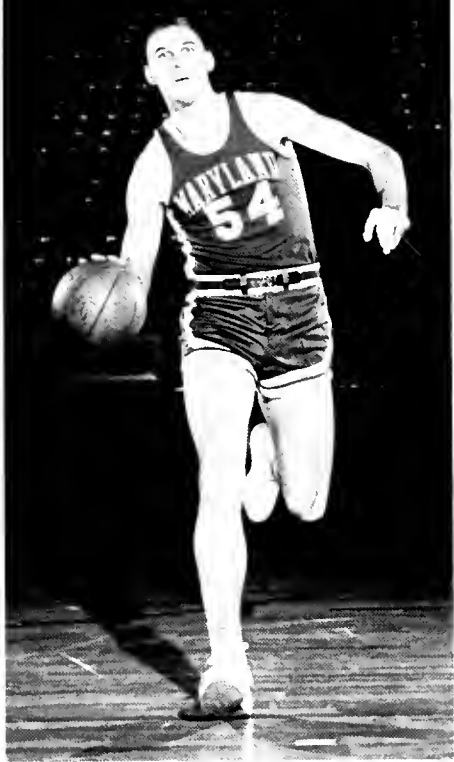

The starting five of Bunge, Jelus, Bechtle, Kelleher and Wilson was spelled by veterans Pete Krukar and Jerry Shanahan. Sophomore Ted Marshall also saw frequent action. Krukar was a top defensive ace.

Indoor Trackmen Take Conference Championship

THE GREAT TRACK TEAM FROM COLLEGE PARK once again rolled through an indoor season undefeated.

Highlighting the season was a dual meet win over stubborn Navy and the Atlantic Coast Conference Championship. The team finished a good fifth in the ICA-A (All Eastern) meet in New York. Several top Terps became well-known for their efforts in the Boston Garden and Madison Square Garden.

Bill Johnson, a junior, was outstanding in the high hurdles. His time of 8.3 seconds in the 70 yard hurdles tied the world record at the V.M.I. Relays. Johnson was also the top collegiate hurdler in the East by virtue of his win in the ICA-A.

Bjorn Andersen tied for first place in the ICA-A pole vault event with a jump of 41 feet 4 inches. The Danish import also broke the school

record at the V.M.I. Relays by jumping 14 feet 7½ inches. Andersen and Johnson were named outstanding athletes in the big meet.

Another prominent Marylander on the indoor circuit was Jonas (Butch) Spiegel. The sprinter was Atlantic Coast Conference champion in the 60-yard dash.

The mile relay team of Wayne Smith, Bill Wolf, Steve Salup, and Butch Spiegel were ACC champs and made themselves known on the boards at Madison Square Garden.

Dick Estes won the ACC high jump crown with a leap of 6 feet 5½ inches which was a new record.

The two-mile relay team of Guy Harper, Lenny Patrick, Bob Adams, and John Claggett set a new record in that event with a time of 8 minutes 5.7 seconds.

BILL JOHNSON HITS THE TAP! ahead of George Hoddinott of Georgetown and Bill Thatcher of Navy to tie the world record in the 70-yard high hurdles at the V. M. I. Relays.

COACH BILL CAMPBELL

Swimmers Take ACC Crown...

BILL CAMPBELL'S FOURTH YEAR as Maryland's swimming coach saw the Terps rise from a school without a team in 1956 to number one team in the Atlantic Coast Conference in 1960.

The Terps rushed through a twelve meet schedule that saw them lose only to a powerful Navy team. Ex-Atlantic Coast powers North Carolina State and North Carolina were defeated during the regular season by the Old Liners 63-33 and 63-31.

Ray Ostrander and Bob Kohl were the team strong men. Ostrander was Atlantic Coast Conference champ in the 200-meter individual medley and the 100-meter backstroke. Ostrander's time of 2:14.7 in the medley set a new conference record. Kohl won the one and three-meter diving events and was a steady winner during the season.

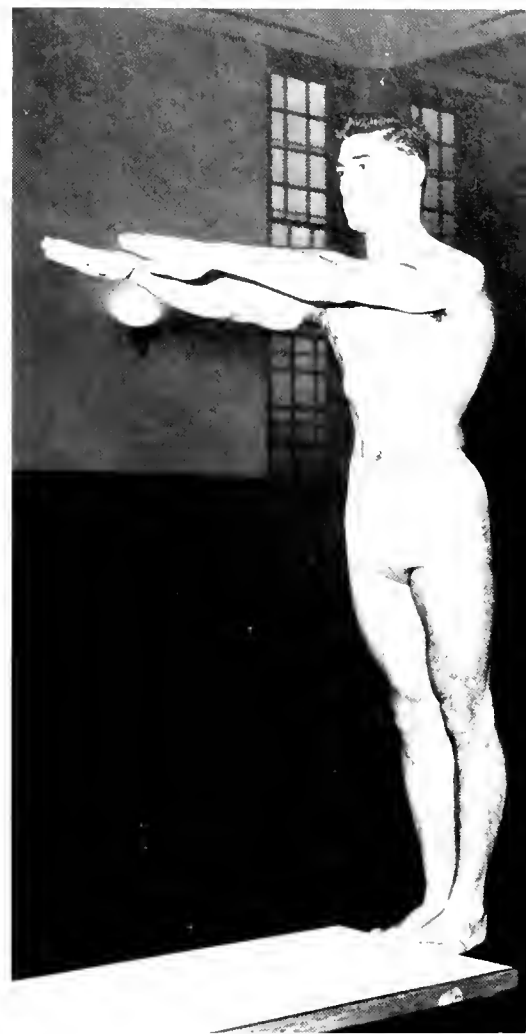

The 400-meter medley relay team of Ostrander, Bob Geyer, Steve Kisley, and Dick Sinclair were ACC champions. Bill McIntosh, Tom Wingate, Frank Culkin, and Sinclair won the 400-meter freestyle relay crown.

Sixth ACC Crown for Matmen

COACH SULLY KROUSE

COACH SULLY KROUSE'S MATMEN WRESTLED their way to their sixth consecutive ACC crown this past season, defeating their next closest rival, Virginia, by 53 points. The team boasts ten individual champs (see picture on page 179).

In meet competition the Terps had a 6-1 record losing to perennially strong Navy, Pitt, Oklahoma, and Penn State. In dealing with the other six teams it was a different story; Maryland tallied a total of 163 to their opponents' 29.

It would be difficult to pick a stand-out on the squad because the team was unbeatable in conference competition but Van Auken and Besnier deserve a hand for being repeat ACC champs.

It is obvious that the team had an outstanding season overall and it looks like Maryland can look forward to even better seasons to come. The increasing quality of the team points toward squads of national championship caliber in coming years.

Reitz Hurls No-Hitter; Terps Win 11, Lose 7

ON APRIL 9, 1959, HISTORY was made at Maryland when Dick Reitz pitched a perfect no hit, no run game against Johns Hopkins University.

The big pitcher from Bel Air, Md. allowed not one Hopkins batter to reach first base. Reitz had a season record of eight wins and two losses and an earned run average of 1.25.

Joe Andreone, Frank Copper, and Pat Clarke helped Reitz to win some of his games. All three hit above the .300 mark.

COACH BURT SHIPLEY PRESENTS DICK REITZ with the "no-hit" ball used in the victory over Hopkins.

Coach Burt Shipley's team finished the season with a 11-7 record. His team had the distinction of scoring in every game in which it played. No wonder — not a single regular player batted less than .280!

Maryland dominated the All-Atlantic Coast Conference team. Frank Copper (.371), Pat Clarke (.323), Dick Reitz (.316 and 8-2), and Don Santo (.300) were honored for their outstanding play during the season. The Terps beat every team in the ACC at least once except Conference champ North Carolina.

The team was considerably stronger than the 1958 team which compiled a 7-11 record.

Trackmen Have Great Year--ACC Champs

COACH JIM KEHOE's trackmen won their fourth consecutive outdoor Atlantic Coast Conference title in what Kehoe called his best team in twelve years of coaching.

The team amassed 1061½ points, a new record, to win the Atlantic Coast Conference meet at Columbia, S. C. Senior Tom Tait high jumped 6'6" and Nick Kovalakides threw the javelin 239' 21½" to set new meet records. Tait was a consistent winner throughout his career at Maryland and rarely jumped less than 6'3".

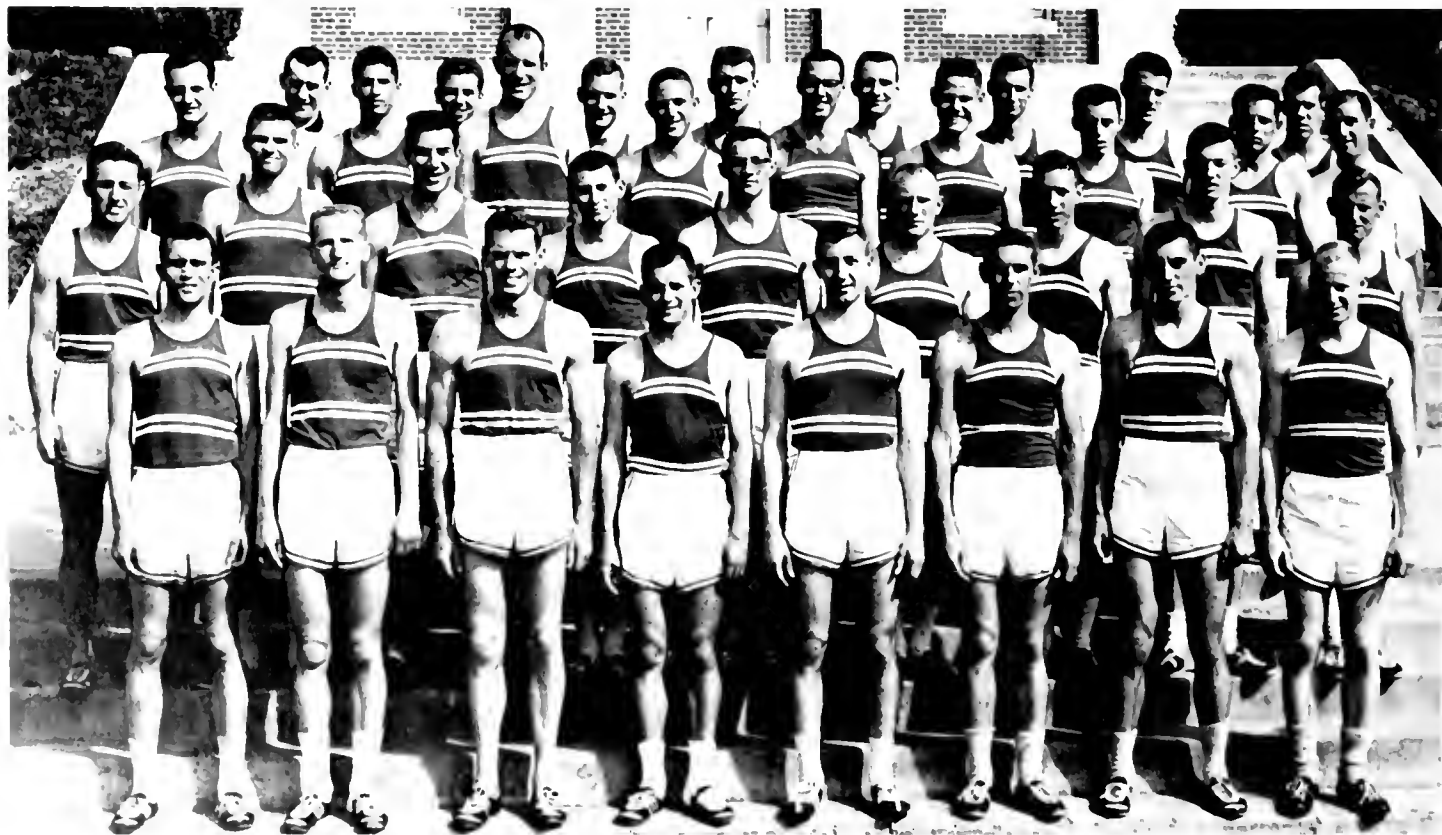

The Old Liners finished second behind Penn State in the ICIA meet (All-Eastern) in New York. Final exams kept the team from competing en masse for what many sports writers predicted would be the closest meet in the long series.

LARRY SALMON, TERP CAPTAIN, accepts ACC plaque from Rex Enright, South Carolina's Athletic Director.

New University of Maryland records were set by the following Terps: Tom Tait in the high jump (6'6"); Butch Spiegel in the 100 yard dash (9.6); Don Whitaker in the 220 (20.9); Bill Johnson in the 120 yard high hurdles (14.2); Tom Gloss, a freshman, in the pole vault (14' 4"); and Larry Salmon in the 220 low hurdles (23.0).

The amazing point total which the Terps ran up in the ACC championships caused many observers to designate Maryland as best in the East and second only to the best teams in the far West. Though the team lost six seniors, all of whom had been ACC champions at one time or another, a fine crop of freshmen and improving sophomores and juniors make future prospects bright.

'59 Tri-National Champs

ROGER GOSS, JOHN KEATING, and Jerry Thelen provided an offensive punch that almost carried the Terrapins to an undefeated season. Only a loss to Johns Hopkins, the last game of the season, kept the Old Liners from becoming the undisputed national champions.

The team finished with a 10-1 record. Thrilling victories over Princeton (11-10) and Army (17-16) highlighted the season.

Bob Schwartzburg made first team All-American for his outstanding defensive play. Goss made second team. Ab Tiedeman the third team and John Keating, Jerry Thelen, and Fred Kern honorable mention.

THE MARYLAND TENNIS TEAM was given a lift this year with surprising performances by three sophomores, Chuck Abelson, Al Citrenbaum, and Paul Caporeilo, who played positions 1, 2, and 5 respectively. Backing up these men with experience were senior co-captains, Tom Beall and Don Palmer, in the number 3 and 4 spots. The terps finished the season with a 7-5 win-loss record. Close victories over Navy, Wake

Forest, and Johns Hopkins, highlighted the season as Abelson gave consistent winning performances in singles and Beall and Palmer teamed up for doubles victories.

Abelson also showed signs of future promise as he went to the quarter-finals of the ACC singles championships. With this nucleus of fine sophomores to work with, Coach Royal's netmen have a bright future.

MARYLAND'S GOLF TEAM had a fine 7-3-1 record in 1959 despite the loss of several key players.

The team was the first to play on the new University golf course. Previously the Terps had to travel to Prince Georges Country Club to play.

Del Beman was the number one golfer for Coach Frank Cronin and finished fourth in the Atlantic Coast Conference. He was well supported by John Owen, Bill Dudley, and Paul Quinn, and the team finished fourth in the conference.

MARYLAND FOOTBALL FANS GOT THEIR FIRST LOOK at Tom Nugent's Two-way, Stop and Go teams at the Varsity-Alumni game.

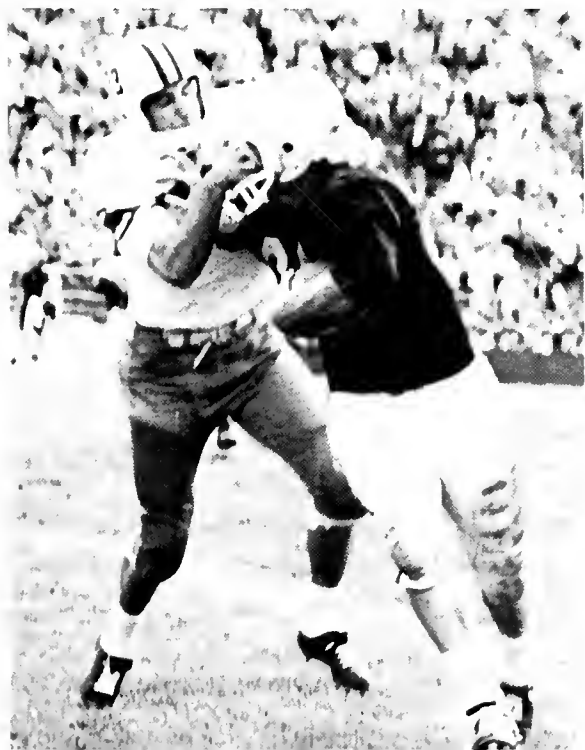

Alumni 16--Varsity 9

SOME OF THE BIGGEST football players in the National Football League handed new Coach Tom Nugent his first defeat at Maryland, 16 to 9.

A crowd of 12,000 turned out to see the ex-Florida State coach's mysterious "I" formation and were pleased with what they saw despite the loss to the brawny Alumni.

The annual game helped Nugent find a quarterback who could run his multiple offense. Dwayne Fletcher became the top candidate to take over the signal calling by gaining consistently throughout the game.

LLOYD COLTERYAHN MAN-HANDLES Jim Joyce after a three-yard gain.

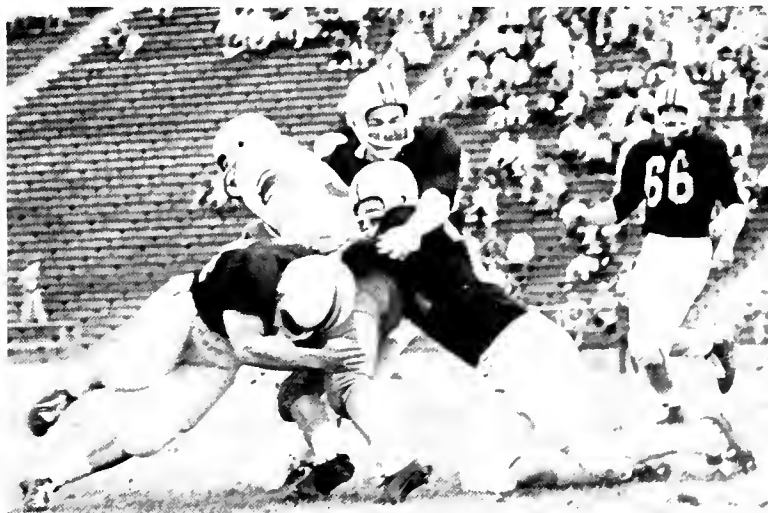

Nugent played a cautious game, conserving his own players by frequent substitutions and removing anyone with the slightest sign of injury.

The Alumni out-weighted the Varsity nearly 20 pounds to the man but were able to gain only 43 yards on the ground. A host of ex-Terp quarterbacks were able to keep the youngsters off balance by pin-point passes which compensated for their poor ground game.

Vic Schwartz, Pete Boinis, Kurt Schwarz, and Tom Gunderman were the center linemen who helped to limit the ground gaining of the Alumni backs.

THE ALUMNI FOUND THE VARSITY line hard to penetrate.

All-Stars Meet in Cole Fieldhouse

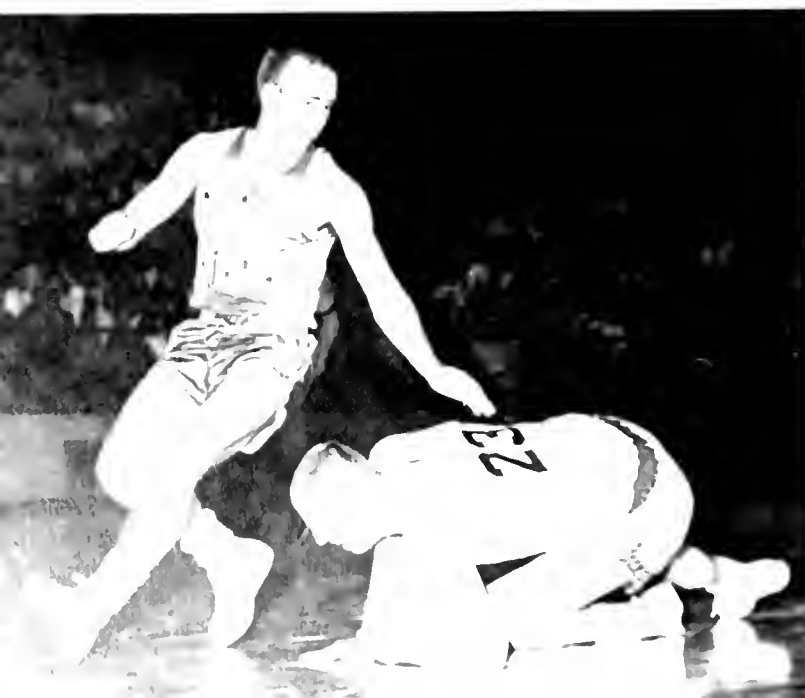

ONCE AGAIN IN 1959 the East-West All Star Game was played here in the Cole Field House. Top stars from across the country made up two of the finest college teams ever assembled. A powerful West squad led by All-American Tom Hawkins from Notre Dame thumped the East team 80-68. Hawkins led all scorers with 18 points, and teammate Bob Boozer from Kansas State scored 16. Mississippi State's 6' 7" forward, Bailey Howell, led the East with 15 points. The "Mutt and Jeff" team from N.C. State, Lou Pucillo and John Richter, represented the Atlantic Coast Conference on the East team.

THE EAST'S JON GINGEBOX of Syracuse, (15), Al Seiden of St. John's (33), and Lou Pucillo of North Carolina State (25), look on as team-mate Baily Howell and the West's Bob Boozer Scramble for a free ball.

BOB BOOZER (30), ALL-AMERICAN from Kansas State fights with Cal Ramsey of New York University for a rebound. Tom Hawkins of Notre Dame looks on.

RALPH CROSTHWALL of WESTERN KENTUCKY and of the East squad isn't about to let Gerry Schroeder of Colorado take the ball away!

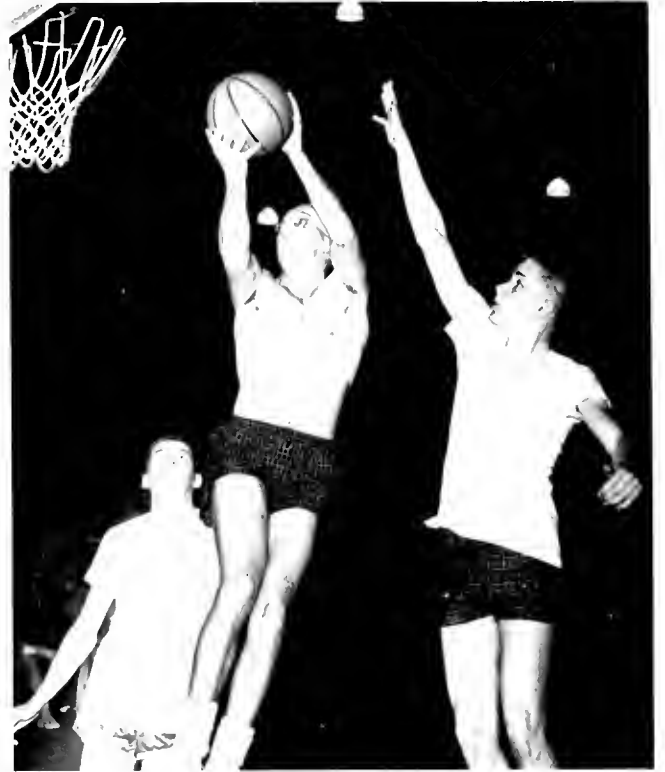

Intramurals

DAVE YOUNG, AND BOB CAMPBELL of Kent Hall attempt to block a shot of Falcons "B's" Jerry Brogden.

DEAN FOWLER OF FALCONS "B" is unsuccessful in his attempt to block Bob Campbell's shot. Kent Hall went on to defeat Falcons "B" in the Open League Basketball tournament.

RON DICK of TKE spikes the ball in Interfraternity Volleyball Finals in a game against TEP.

JON PARKER AND GEORGE RINES return the ball to the TEP side of the net. TEP went on to defeat TKE in the final game to become the Interfraternity Volleyball Champions.

Men's Intramurals

INTRAMURAL BOWLING CHAMPIONS—Harry Bowman, Bob Stroessner, Ralph Harris, Bill Roberts, Bill Eackles.

"BUGS" BEGANSKY has almost pinned Bob Fenimore in the 157 pound class of the wrestling intramurals. He finally succeeded to emerge as class champion.

THE MEN'S INTRAMURAL PROGRAM, under the leadership of Coach Jim Kehoe and his staff, is essentially designed to provide a variety of recreational activities that will fill men students' leisure time. Twenty-two sporting events comprise this well-rounded program, filling the needs and desires of almost everyone.

Intramurals are divided into two major divisions—Open League and Fraternity. However, this year was the first time that the two divisions have had a final playoff in some of the sports to determine an overall winner. All activities are under the guidance of managers who are interested in competitive athletics, and who are willing to assume the responsibility.

INTRAMURAL WRESTLING CHAMPIONS—Don Santo, manager; Bob Plaia, Charles Thompson, Al Margolis, Paul Begansky, Wayne McGinnis.

SKISH INTRAMURALS BRINGS OUT THE BEST OF THE fisherman-crowd. Each individual is given a chance to prove the accuracy of his casting. Norm Kaufman of TEP proved to be "best man" in this event.

JOHN NOGRADY SHOWS HOW TO use the backhand in the tennis intramurals. Speed, endurance, and technique were some of the things he encountered as he progressed in the play-offs to a winning position.

PHIL ROSS SHOWS SOME GOOD FORM BUT A strained expression as he finishes a 215 pound clean-and-jerk in the 165-pound weight class of the weightlifting intramurals. Excellent "lifting" was to be seen in all of the weight classes.

THE EIGHTH ANNUAL ALL-INTRAMURAL NIGHT was held in the new armory on Thursday, April 9, 1959. The champions of all winter sports are determined at this time. The affair last year culminated the activities of more than 2,000 male students who participated in the winter program.

Among the outstanding events of the evening were Sigma Chi's victory over the favored SAE team in basketball, TEP's win against TKE in the volleyball championships, and the Falcons "B" defeat by the much-favored Kent Hall men in the Open League basketball tournament.

In the individual events, Norm Kaufman of TEP beat Jack Nichols in the skish championships, as M. Herbst beat W. Waesche in the badminton finals. The table tennis finals ended with Ehnars Golts as champion, and loud shooting concluded the evening with Mike Folb as top man with a near-perfect score.

ART KLAUNBERG LED THE CROSS-COUNTRY RACE and is seen here as he crossed the finish line about 50 yards ahead of the second place man.

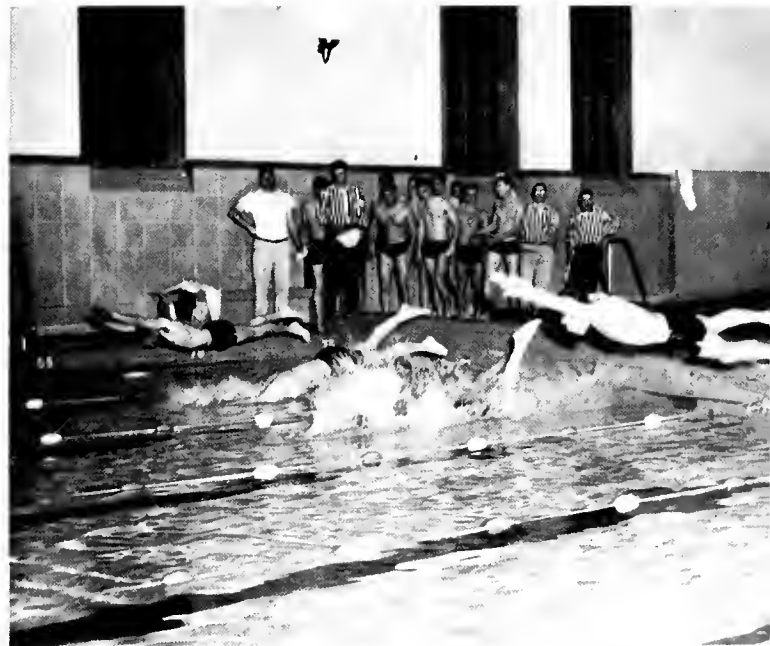

OTHER EVENTS OF THE 1959 SEASON WERE: swimming, with KA emerging as the over-all winners; softball, with ATO edging out TKE in the final game; and track, with ATO winning over both TKE and SAE. PSK wound up the golf intramurals by defeating ATO, and the TKE's ran away with the bowling championship after their final game with runner-up PSD.

Weightlifting, wrestling, and boxing, the weight-class sporting events of the season provided much of the competition needed to culminate a well-balanced season of intramural sports.

The 1959-1960 season started off this past fall with open and fraternity cross-country. Art Reeves took the honors by winning first place representing TKE, but SAE won the event on over-all points with AGR as runner-up. Art Klaunberg won the event for Open League. In tennis, John Nogradi won top laurels by winning the final game.

ALTHOUGH ART REEVES OF TKE FINISHED FIRST as seen here, SAE won the fraternity cross-country championship on over-all points.

SWIMMING PROVIDED A GREAT DEAL OF COMPETITION this year in comparison to past years. KA startled a few of the entries by getting a good head-start and then keeping it to the finish.

NOBODY, BUT NOBODY passes to someone inside of the TKE defensive wall!!!!!!

TWO MEN AREN'T ENOUGH! The only thing that might stop these TKE's is a good Colt defense—by the Colt team, naturally.

PROBABLY THE MOST PUBLICIZED GAME OF THIS YEAR was the Fraternity Football Championship. Tau Kappa Epsilon went overboard as far as the strategy of the game was concerned and it payed off. The TKE team went undefeated throughout the whole season in their division. In the fraternity championships the SAE team, which was victorious in its division, met the TKE's for the final play-off of the season. Expectant of a well-

played game, more than 200 people turned out on a rainy afternoon to watch. Even in the mud, the TKE's fine strategic playing did not slow up one bit as they went on to hand SAE a 34-0 loss.

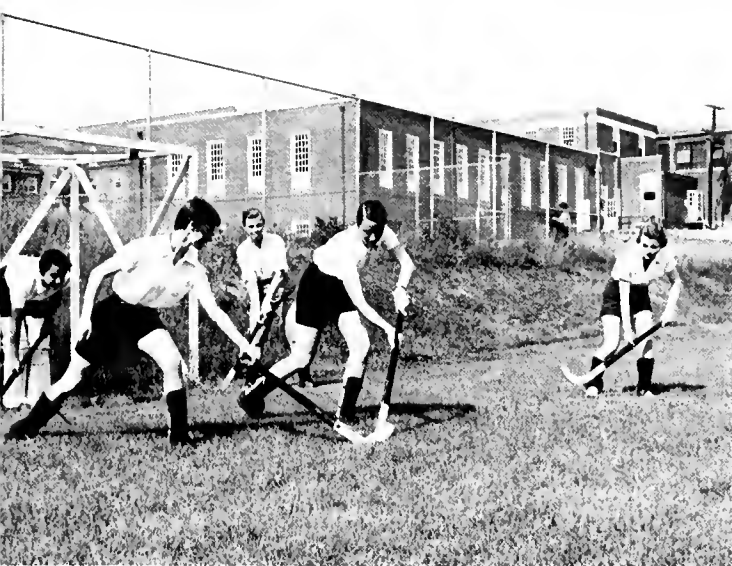

This year the Fraternity champions played the Open League champions to determine an over-all winner. As expected, TKE ran against very little opposition as was proven by the 26-0 win.

FRATERNITY LEAGUE FOOTBALL CHAMPIONS—*First row:* F. Fink, J. Tracy, M. Bankert, A. Cascino, A. Reeves, W. Davenport, W. Johnson, R. Harris. *Second row:* J. Keehner, G. McCain, C. Moltz, A. Clessuras, R. Stroessner, R. Dick, D. Bindok

FALL SPORTS FOR WOMEN on the Maryland campus begin with the formation of the Hockey Interest Group. These two girls seem to be after the same object!

Women's Sports

THE WOMEN'S RECREATION ASSOCIATION offers organized fun and leadership opportunities in the field of sports for Maryland coeds. Located in Preinkert Field House, the WRA provides both intermural and intramural programs. Each year thirteen intramural tournaments are held with sports ranging from archery in the fall to swimming in the spring. Interest groups offer competition with various area schools in the intermural program. Girls participating in WRA activities represent their dorms, sorority, or the daydodgers, and representatives from every group act as a link between the students and the WRA Council.

After its many tournaments, interest group activities, sports day, and the fall picnic, the activities of WRA are culminated at the end of the spring semester with the annual Spring Banquet. At this time trophies are given to organizations winning tournaments and the WRA Participation Cup is awarded to the organization accumulating the most points through participation in the many events.

RACING IS AN EXCITING PHASE of the swimming competition. In a very close meet Kappa and Tri Delt tied for first honors.

WITH SUCH A DETERMINED EXPRESSION accompanying the swing of the bat, it is sure to be a base hit! In the final game of the softball tournament Caroline Hall was victorious over Carroll Hall.

BASKETBALL INTRAMURALS OFFER FUN and relaxation to break the monotony of studying during the winter season. This year saw the Daydodgers emerge triumphant in a very close game over Sigma Kappa.

THE DAYDODGERS BOWL AGAINST PI PHI in the Bowling intramurals tournament. Tri Delt edged Dorchester Hall for first place in the finals.

A GAMMA PHI SPIKES THE BALL over the net with a little moral support from her team-mate. Leading the way to first place was Wicomico Hall, over Pi Beta Phi in the final game.

INTRICATE FOOTWORK, coordination, grace, and foil techniques are a must in the sport of fencing. The WRA Fencing Interest Group offers learning and practice to anyone interested.

VARSITY M CLUB—*First row:* Bill Kirchiro, Tom Sankovich, Al Gasser, Don Santo, secretary; LeRoy Dietrich, vice-president; Doby Thompson, president; Bjorn Anderson, treasurer; Dick Sinclair, Pete Krukar, Bill Wolf, Don Palmer, Tom Bartolec. *Second row:* John Axley, Lowell McCoy, Jon Mills, John Hogg, Dick Colwell, Nils Larsen, Joe McDonagh, Bill Johnson, Wayne Smith, Richard Creditor, Paul Palfi.

A "NEW ERA" WAS THE THEME OF THE 1959-60 "M" Club under the leadership of the president Elliot "Doby" Thompson. New innovations, more activities, and a membership drive to build up the club were all part of the "new era" theme. The membership drive early in the year brought the membership up to 80 members.

Few students could have helped noticing the "M" Club jackets that is a new innovation to keep up the Maryland sports tradition. This jacket was designed to give unique distinction

to the sports club as a group.

Activities of the club included: guest speakers such as Eddie LeBaron, Tom Nugent and former University of Maryland President Curly Byrd, desserts, and a dessert-dance with the Angel Flight. Also, the club sponsors the annual Alumni-Varsity football game.

The chief function of the club is to bring together the leaders from all phases of athletic activity and have them discuss ideas for the betterment of the University's athletic program.

CHARLES "SONNY" LOHR

"Sonny" Lohr

TRAGEDY STRUCK THE UNIVERSITY OF MARYLAND FOOTBALL TEAM in early September, 1959 when Charlie "Sonny" Lohr died following a pre-season practice.

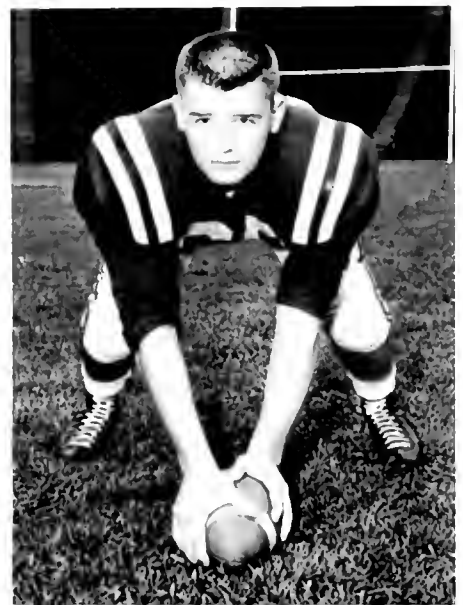

Lohr was an outstanding candidate for the center position on the Terp eleven. He was known as a fine athlete during his high school days at Bladensburg, and at Maryland he was known as a real "hustler."

To "Sonny" Lohr and all that he stood for, we dedicate this page of the 1960 *Terrapin*.

Board of Regents

THE DECISIONS OF THE Board of Regents concern every phase of the University of Maryland. It is their job to handle and approve all plans and policies concerning the University. In addition to this, they sit as the State Board of Agriculture and must handle various agricultural matters.

The Board consists of eleven members. They are appointed to serve for a nine-year term by the governor of Maryland.

The standing committees of the Board of Regents study such topics as the budget, building, athletics, endowments, and the hospital and medical schools.

MISS ADELE H. STAMP, Dean of Women

AFTER THIRTY-SEVEN YEARS of devoted service, Miss Adele Stamp has decided to make this her last year as Maryland's first and only Dean of Women. Her many outstanding contributions include the founding of Mortar Board, Alpha Lambda Delta, Panhellenic Council, and A.W.S. Miss Stamp plans to devote more time to her favorite hobby, traveling. She plans to visit Europe this summer.

Women's housing, always a difficult problem, is handled by the competent hands of Miss Margaret Jameson. Her current project is planning for a new girl's dorm which will be much larger than any of the present time.

As advisor to the Associated Women Students, Miss Billings' attentions are directed toward the Blood Drive, Campus Chest, and the A.W.S. Bridal Fair. Among her hobbies are dancing and cards.

Miss Marian Johnson, assistant dean, works closely with the daylodgers and their problems. Her interviews with senior women help these girls plan for interesting careers and successful futures.

Also planning a European trip this summer is Miss McCormick. She acts as Panhellenic Advisor and co-ordinator of social activities on the campus.

Colleges

College of Agriculture

AGRICULTURE IS ONE OF America's most important industries. Everyone is dependent on the farmers who produce our food and the food of our meat giving animals. For this reason, farmers should not be taken for granted.

The College of Agriculture has been subject to many changes brought about by technological development. New programs have been initiated to make adjustment to these changes possible. For example, an agri-business curriculum including processing, distributing, merchandising, and retailing of agricultural and food products was initiated in 1958.

The college has two main purposes: to train students and to further research. The latter is achieved by experiments in laboratories on campus and in outlying centers. In 1958, thirty-two out of one hundred seventy-five projects were completed and nineteen new ones were introduced. Research contributes to our knowledge and the new ideas established are made available to people through the Extension Service.

DEAN GORDON M. CAIRNS is the competent head of the Agricultural Department here at the University.

The college of Arts and Sciences offers each student the opportunity to obtain a general education while concentrating in the field of his choice. The program is designed to serve undergraduates and students desiring post-graduate or professional study.

Its fifteen departments advance majors in the humanities, social studies, biological sciences, physical sciences and fine arts. The degrees obtained are Bachelor of Arts, Bachelor of Science, and Bachelor of Music.

The college seeks to develop graduates who can deal intelligently with the problems confronting them and whose liberal education will benefit them throughout life. Dean Smith and his excellent staff seem to have established a program which will achieve this goal.

This College offers courses designed to prepare young men and women to be proficient businessmen and technical workers.

Encompassed in the B.P.A. College are seven different departments — Business Organization and Administration, Economics, Foreign Service and International Relations, Geography, Government and Politics, Journalism, and Public Relations, and Office Management and Techniques. These departments present the general principles and techniques of management and administration which are so important when the young man or woman steps out into the business world.

College of Education

IN THE PAST YEARS, the need for teachers has been greatly emphasized; however, according to the number of incoming students at the University of Maryland, this need will be met in the near future. The College of Education is growing at a rate of 15% a year.

In addition to training teachers, this college has another asset, its research program. There is a project to test the content of junior high school mathematics, to test the content of industrial education in high schools, and to investigate special education and education through television.

IN ADDITION TO HAVING the largest building on campus, the College of Engineering probably has one of the largest programs. College of Home Economics

BEHIND THESE WALLS the future homemakers of America are preparing for their debut.

CONTRARY TO THE COMMON belief that home economics is only the study of cooking and home-making is the fact that areas of study also include: art applied to the home, child development and family living, clothing and textiles, merchandising and art for industry, and family economics. These many courses of study have necessitated the increase in the number of faculty members. At present there are twenty-two full time and eight part time teachers helping the students to achieve their goals.

There is an extremely interesting experiment now in progress in the home economic laboratories. Forty-four suits are being tested to find out if manufacturers give consumers the correct information regarding cleaning or washing. The results of this experiment may prevent unnecessary shrinkage or ruining of clothes.

Careers in the field of home economics offer satisfying work and interesting professional opportunities.

In addition to the on-campus program, this college conducts courses and workshops for teachers in various parts of Maryland.

There are a number of student organizations that are connected with this college. Some are: Phi Alpha Epsilon, WRA, Aqualiners, and Sigma Tau Epsilon.

DR. RONALD BAMFORD, dean of the Graduate School.

THE GRADUATE SCHOOL is charged with the supervision and coordination of advanced studies and research pursued by graduate students in fifty-four departments of the University. These studies lead to the so-called advanced degrees.

The Graduate School of the University of Maryland, located on the second floor of the Skinner Building, was established in 1918 — starting with approximately fifty students, now involving some 3200 students.

This impressive growth in advanced studies is chiefly the result of the changes which have taken place in the post-war period at home and abroad, and indicates the great need for men and women with a broad background of knowledge and training to meet the challenges of the day.

LIFE ON THE BALTIMORE CAMPUS, unlike the College Park campus, is surrounded by city life. Here are located the schools of pharmacy, dentistry, medicine, nursing, and law.

Students of law, dentistry, nursing, and medicine come to Baltimore after two years at College Park. Pharmacy students receive their entire four-year education in Baltimore.

The University Hospital provides an excel-

lent ground for practical work by medical students. Actual practice on hospital patients allows the student to become one of the best trained in the country.

Research plays a key role on the Baltimore campus. The never ending search for knowledge is pursued by both students and faculty. Only the newest concepts are applied by the staff of the University of Maryland in Baltimore.

Thrill Largest Collegiate Audience

As part of the Fall Weekend, the nationally famous Kingston Trio played to its largest collegiate audience. Cole Fieldhouse held a near capacity crowd of 12,750 for the IFC concert.

The trio, composed of Dave Guard, Bob Shane and Nick Reynolds and accompanied by Dave Wheat on the bass, played selections including the much requested "Scotch and Soda" and "Tom Dooley." As an encore, the trio sang "When the Saints Go Marching In" to the beat of a hand-clapping audience.

BOBBIE GREEN PUTS THE FINISHING TOUCHES of beauty on John Mascone.

"KA V Popping" was the theme of the 39th annual Kappa Alpha Minstrel. Some of the highlights of the show were the singing of "Serenade," by Jeb Palmer and Jack Clifford, and the jesting of the hillbillies.

An old-fashioned minstrel completed the first half of the show. "Mouth" McHugh, "Chitlin"

Liacuris, "Deacon" Bagby, and "Kingfish" Stogo were featured as chorus end men. Charley Mackert was interlocutor.

Latin American dances, a chorus line of "exotic beauties," and the rocking antics of the "hillbillies" with their mountain music comprised the second half, an "all-star" review.

Greeks Compete For "Sing" Honors

Members of the student body and faculty filled Ritchie Coliseum to capacity to hear the annual Interfraternity Sing sponsored by Delta Delta Delta. Every year the sororities and fraternities enter in the choral competition. Kappa Delta won first place in the sorority division for the second consecutive year. Phi Delta Theta took top honors in the fraternity competition.

Also presented at the Sing was the Morty

Cohen Award given by Sigma Delta Tau to the outstanding senior man on campus. The recipient was Thomas Tait. Phi Kappa Tau presented the Bronze Buck Award to Hank Goldberg, the outstanding fraternity man of the year. Outstanding fraternity men were picked for Kalegethos by their fraternity brothers. To close the ceremonies deserving women were tapped by their sorority sisters for Diamond, the sorority honorary.

Greeks Celebrate Spring Week

The Maryland campus celebrated the beginning of spring with the traditional Greek Week. During this week the students participated in many varied activities.

The Turtle Derby, "Profs on Parade," and the chariot and bicycle races were held as they have been for many years. This year two new activities were added. A Dixie-Land Concert was held on the lawn in front of Fraternity Row. To climax the wonderful week, there was a boat ride down the Potomac River to Marshall Hall where an all-day picnic was held.

Alpha Chi Omega

"MARMADUKE" IS A CHERISHED WORD at the Alpha Chi house. A giant sized model of him and long hours of work helped the girls to win first place in the Homecoming house decorations competition last fall.

In the spring of '59, they also won the first annual sorority olympics and chariot races.

Not lacking in journalistic abilities either, the Alpha Chi's won the Lyre trophy from their national organization. It is awarded to the chapter of Alpha Chi Omega which each year makes the best contributions to the national magazine, the *Lyre*.

THE ADPI'S TAKE A STUDY BREAK.

THIS SPRING MARKS THE TWENTIETH ANNIVERSARY of Alpha Delta Pi on the Maryland campus. The local chapter was founded on April 26, 1940.

An annual event sponsored by the sorority is the Red Sock Hop. The chapter house on College Avenue opens its doors to everyone on campus to come in and join in the fun.

A D Pi's participate in nearly all phases of campus life. They have officers in the Free State Party, Diamond, and Panhellenic Council. One of the 1959 Homecoming Queen finalists also is an A D Pi.

Alpha Epsilon Phi

THE AEPHI'S BELIEVE SCHOLARSHIP is important as their number two ranking among sororities for the year 1959 proved. Also interested in altruistic work, the sorority sponsors an orphan overseas and provides for a needy family on holidays.

This year they won third place in sorority competition in Harmony Hall. Their pledge queen candidate was selected as the first runner-up for the title.

A pajama party in the spring, a senior banquet, and sponsoring the Bowling Tournament are annual events.

Alpha Gamma Delta

... THERE'S NOTHING LIKE A BRIDGE GAME when studying's the only other thing to do!

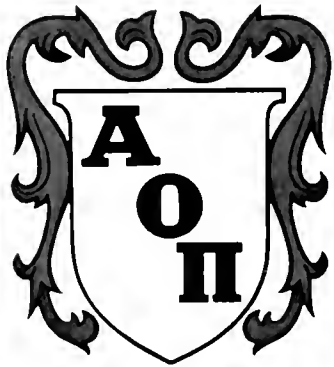

POLITICS ARE A HOT ISSUE in the Alpha Gamma house. The president of the Young Democrats and the past president of the Young Republicans both are members of the chapter.

Not content with a mere second place in 1958, the Alpha Gamma Deltas went on to win first place among sorority competition at Harmony Hall in 1959.

Each spring the Alpha Gams award a trophy to the sorority whose pledge class had the highest average for the preceding semester.

WHO SAID TROPHY-POLISHING was a job for the pledges?

DESPITE A MYSTERIOUS FIRE last fall which attracted quite a few spectators along College Avenue, the AOPi's managed to finish the year without any more serious mishaps.

Their big project for the year was the Campus Blood Drive. Trophies were awarded to the groups with the most participation.

The AOPi's claim membership in many campus honoraries and organizations, including SGA.

A swingin' version of "Basin Street Blues" won them second place at Harmony Hall.

COFFEE-TIME CAPERS a la Scarlett Voris .

ONE OF THE FAVORITE TRADITIONS of the Alpha Xi house is the awarding of the Rose Girl Trophy each month to the girl who has contributed most to the sorority. At the annual scholarship banquet, awards are presented to the girl with the highest average and the girl showing the most improvement in grades.

The girls are active in Angel Flight, *Diamondback*, *Terrapin*, *Old Line*, and various honoraries. Last spring the Alpha Xi's placed third in the Interfraternity Sing.

... DOWN THE STAIRS and off to class.

THE TRI-DELTS, whose high scholarship average won first place among sororities last year, grant several scholarships each year to deserving students on the Maryland campus as their service project.

Faculty teas and Interfraternity Sing are popular events the chapter sponsors yearly. The "sing" is a much anticipated affair and the highlight of Greek Week.

On campus the Tri-Delts are active in the SGA, Mortar Board, WRA offices, majorettes, cheerleaders and U. T. productions.

DELTA GAMMA—*First row:* Sally Smith, Nancy Snyder, Barbara Odor, Carrye Blair, Barbara Calder, Carol Clarke, Jean Jester, Edna Kindelburger. *Second row:* Jean Bradford, Sally Heaton, Mary Ann Wilson, Betty Wilcox, Barbara Bradley, Bonnie Jump, Kay Rodgers, Penny Peers, Anne Reynolds. *Third row:* Sally Wiley, Pat Green, Fran Knox, Ginny Stephens, vice-president; Julie Kelly, president; Mrs. Chaney, house director; Anita Moore, vice-president; Betsy Slagle, treasurer; Helen Holland, secretary; Ginny Harvey, Eileen Mullikin. *Fourth row:* Pat Messer, Pam Clayton, Pam Brundage, Marlene Elwell, Joan Green, Nancy Hyding, Bunny Baker, Jane Eby, Marcia Doyle, Audrey Blair, Marilyn Lohnes, Lynn Andretta, Pat Argerake, Jane Becker, Barbara Nash. *Fifth row:* Judith Bavis, Judy Wueste, Ann Swank, Alice Hipsley, Judy Campbell, Debbie Stanley, Kathie Kilmer, Ede Crammatt, Debby O'Neal, Sally Ann Dailey, Betty Goodridge, Suzie Crosley, Sandy Weiss, Harriet Husted, Carolyn Kalk.

Delta Gamma

It's "THAT MAN AGAIN" (Santa Claus) delivering presents to the DG's.

AS THE YEAR 1960 UNFOLDS, the DG's are enjoying their fifteenth year on the Maryland campus. Taking a leading part in campus activity, the Delta Gamma's claim the president of AWS, as well as three members of Mortar Board.

Aid to the blind and sight conservation are the outstanding sorority altruistic projects. Social events and sorority traditions are not lacking in the chapter either. Among these are the Pledge-Active Slumber Party and the choosing of the "DG man."

DELTA PHI EPSILON—*First row:* Enid Zipperman, Beverly Rosenfeld, Charlotte Berenholtz, Mrs. B. Stern, advisor; Iris Betman, president; Dede Canter, vice-president; Della Weis, secretary; Sandi Rubin, treasurer. *Second row:* Rena Sue Melnick, Marjorie Caplan, Bonnie Richman, Marjorie Weinstein, Beverly Starr, Jane Magidson, Gerry Kesner, Hannah Stoler, Carole Steinberg, Lisa Brinker, Maxine Vogel, Marlene Petrushansky. *Third row:* Beverly Macht, Judith Green, Joan Ellis, Lois Berkow, Bertie Rand, Bonnie Levitov, Marlene Harris, Bobbi Weinstein, Ellen Norius, Rita Simick, Fran Horwitz, Alice Frankel, Myrna Siegman.

Delta Phi Epsilon

ON OCTOBER 15, 1959, thirty-five perky girls got together to form Delta Phi Epsilon. They chose officers and immediately swarmed into campus activities.

Our "new" sorority has members participating on the yearbook staff, in Alpha Lambda Delta, Hillel, Women's Chorus, Chapel Choir, Young Democrats, and on WRA committees.

Their award-winning skit attracted much attention at the Hillel Skit Night.

The future seems to hold much in store for the "youngest" sorority on campus.

Gamma Phi Beta

"If you all sing that song once more . . . !"

LOCATED AT NO. 9 FRATERNITY ROW, the Gamma Phi's could be called an "educationally" minded group. Several members belong to SNEA and last year both the president and treasurer of the organization were members of the sorority.

The Gamma Phi's are also active in AWS work, *Terrapin* staff, Gamma Sigma Sigma, *Diamondback*, and the color guard.

Helping orphans, a summer camp project, plus social events like the "Basin Street Stomp" and "Initiation Banquet" round out the year's activities.

KAPPA ALPHA THETA—*First row:* Dixie Baridon, Joanne Fitzgerald, Betsy Lampton, Meg Dippold, Joan Watson, Beverly Loeller, Linda Cavin, Judy Donahue, Judy Mellor, Sue Eyster. *Second row:* Pat Hogan, Louise Coddington, Linda Alligood, Maigie Castiello, secretary; Joan Mangam, secretary; Barbara Brown, president; Joyce Cox, vice-president; Sandy Foulis, treasurer; Carolyn Tate, Barbara Janz, Dabney Bixel. *Third row:* Donna Thomas, Mona Frichsen, Sara Anne Whiteley, Betty Cavin, Marjie Felix, Margot Atkinson, Ellen Musgrove, Joyce Dilliplane, Diane Dietrich, Maureen Kane, Sharon Josephson, Betty Conklin, Jean Vonderahe, Patricia Ritchie, Betsey Hitt. *Fourth row:* Nancy Mitchell, Marc Miller, Pattie Domingus, Ann Jacobs, Sue Laffan, Barbara Bennett, April Wilson, Claudia Brush, Kay Voorhees, Sarah Irwin, Margy Stone, Carole Cromer, Carol Isiminger, Lina Grant.

Kappa Alpha Theta

WINNING FIRST PLACE IN SCHOLARSHIP for their district was one of the many honors the Theta's received in 1959. They also have members in Mortar Board, Phi Kappa Phi, Angel Flight, Alpha Lambda Delta, Who's Who and several other honoraries on campus. Combining brains with beauty, the Theta's claimed several beauty titles. Among them were the Military Ball Queen and a Homecoming finalist.

One of the traditions of the chapter is a candlelight ceremony held for pinned or engaged girls.

Kappa Delta

IT'S A SURE BET that this popcorn won't last long!

THE KAPPA DELTAS with their stirring rendition of "I'll Walk With God" won the Interfraternity Sing in 1959 for the second year in a row. In the near future the sorority hopes to present a "Greekness" award, which, it is hoped, will become coveted by both fraternities and sororities.

The KD's also have several altruistic projects. They support a 'Foster Child' in Europe, and their pledges repair toys for hospitals in the area.

Two queen titles were captured by KD's this fall, that of Pledge Queen and Miss Montgomery Hall.

KAPPA KAPPA GAMMA—*First row:* Mary Barden, Polly Bowers, Bonnie Girard, Joanne Moser, Norma Eberhart, Linda Cook, Janice Robinson, Bonnie McKinlay, Judy Miles. *Second row:* Carolyn MacCartee, Lynne Cashman, Judy Purnell, secretary; Connie Cornell, president; Mrs. Lusk, house director; Lucy Wanless, vice-president; Harriet Love, treasurer; Barbara Buscaglia, secretary; Mona Steffens, Rachel Scarborough. *Third row:* Judy Krueger, Nan Owens, Nancy Stephens, Janet Greeley, Cece Jennings, Kathy Knox, Noreen Sauer, Misti Towler, Ellie Berger, Barbara Mullinix, Trudi Jen, Diane Kroeter, Irma Jean Dodd, Jo Montalbano, Allie Lee Boice, Joanne Murray. *Fourth row:* Barbara Wasser, Cynthia Heisler, Stamatia Chebithes, Lynne Birthright, JoAnn Greasley, Linda Rohland, Carol Ferrar, Mary Jo Park, Diana Skaer, Sandy Eldred, Joan Davis, Cathi Wilson, Sue Ellen Gant, Jeane Reitz, Ann Bouker.

Kappa Kappa Gamma

EVEN THE KAPPA KEY WON'T WORK after hours.

THE KAPPA'S HAVE AN INTERESTING TRADITION. Just before final examinations they have a Gripe Night when members wear silly costumes to dinner and get all complaints out of their systems. In a more gracious setting, the girls enjoy dinner by candlelight every Wednesday evening.

Winners of the Sorority of the Year Trophy for the past two years, Kappa ranks high in scholarship and leadership in campus activities.

Last year's May Queen and first runner-up were both members of the sorority.

Phi Sigma Sigma

"BUT, JOE, I AM ALL ALONE!"

"A DREAM COME TRUE," could be said by any Phi Sig as she walks by the new chapter house being built on College Avenue. This new house, close to campus, has been the goal of the Phi Sigma Sigma's for many years.

The president of Mortar Board, Patsy Kanner, as well as several class officers, *Diamondback* staff members, AWS committee members, and a Co-editor of *Expression* are all members of the sorority. One of the girls was chosen queen of TEP last year.

PI BETA PHI—*First row:* Judy Porter, Donna DiFrancis, Nancy Thompson, Bette Glaze, Sally Stewart, Kathy Fealy, Grace Hayden. *Second row:* Pat Schwaizman, Maryellen Cooney, Sylvia Brittingham, Charlsie Harkins, Shirley Grimes, secretary; Jackie Spencer, president; Mrs. Alexander, house director; Andrea Vlases, vice-president; Randy Engle, treasurer; Footsie Anderson, Kay Wolf. *Third row:* Nancy Robinson, Gailyn Gwin, Dorothy Harkins, Anne Reich, Garon Ketzer, Karen Danielson, Paddy Duggan, Maryann Contee, Kathy Raffallo, Pat McGhan. *Fourth row:* Lynda Myers, Jean Richey, Carol Caprio, Peggy Creyke, Bette Williams, Terry Heck, Fran Logan, Louise Gillick, Mary Jane Hickey, Pat Martin, Denise Samel.

AFTER A WEEK OF LEAVING ANONYMOUS GIFTS around the chapter house, secret "sisters" reveal themselves at the sorority Christmas party. This favorite tradition of Pi Phi is the climax to a week of fun and foolishness.

A more serious aspect in the Pi Phi tradition is manifested in their giving aid to the Settlement School located in Gattinburg, Tennessee.

Pi Phi claims membership in a variety of campus honoraries including Mortar Board, Diamond, AWS and SGA.

They won second place in the Interfraternity Sing last year.

"COME ON NOW—EVERYBODY SING!"

THE GIRLS IN THE WHITE HOUSE in the gulch proved themselves among the most active on campus this year. Bearers of the torch included the editor-in-chief of the *Diamondback*, president of National Collegiate Players, a Homecoming Queen finalist, vice-president of the Junior Class, president of Hillel, Junior Prom chairman and Pledge Dance chairman. Mortar Board, Phi Kappa Phi, Alpha Lambda Delta, Sigma Alpha Eta, Pi Delta Epsilon and Sigma Tau Epsilon claimed more than a few SDT's.

Not to be outdone sorority-wise, the girls paced an event filled year by winning the Hillel Skit Night trophy for the second year in a row and by presenting the Morty Cohen trophy to the outstanding male senior.

Sigma Kappa

ONE OF THE MANY TRADITIONS of Sigma Kappa is an annual Shoeshine Night. The Sigma Kappas will shine your shoes for a nominal fee which goes to charity. Other traditions of the sorority are a Pledge Skit Night, a steak and beans dinner and SKID night.

This past year the Sigma Kappas won second place in the Sorority Olympics and second place for their Homecoming decorations. "Dennis the Menace" was the comic strip they chose.

Members of the chapter can be found in several campus honoraries, including Mortar Board.

IF YOU DON'T RECOGNIZE THE PIN HE WEARS, look for a black cowboy hat and you should find an AGR. Although he doesn't wear a black hat, Bozo, their Saint Bernard, is well-known to those who attend the home football games.

1959-60 saw the AGR's capture the scholarship trophy for the fraternity with the highest scholastic average. The presidents of most of the agricultural clubs and honoraries are AGR's. They also claimed a member in ODK.

A new kitchen, storerooms, and furnace were added to the house in '59, also.

THE ATO's, STRONG CONTENDERS in fraternity sports competition, placed first, second, or third in nearly all the tournaments this year. They also won the All-Sports Award presented by IFC.

Each spring they sponsor the Greek Week Chariot Races. In 1959, they invited the sororities to compete, and a trophy was awarded to the sorority winner.

Their Black Foot-White Foot Ball and the Tau Tramp Party are annual social events.

Delta Kappa Epsilon

THE BROTHERS OF DELTA KAPPA EPSILON, while few in number, are certainly "active" on campus. The captain of the football team, plus members of the basketball team and baseball team are DKE's. Well-known *Diamondback* columnist, "Peeping" Tom Seppy, past president of Sigma Delta Chi, is also a member of the fraternity.

Unfortunately for the DKE's, however, 1959-60 marked their last year on the Maryland University campus.

The Deltas recently dedicated the Tom C. Clark, Jr. Memorial Library to the Associate Justice of the Supreme Court's son, Tom, who was a member of the fraternity.

INTRAMURAL ATHLETICS IS THE FAVORITE activity of the SAE's. Whether it be in football, basketball, softball or cross country they are consistently strong contenders for the crown.

Known for their lions and the lion's roar, the brothers disciplined their vocal chords enough to win second place in the Interfraternity Sing last spring.

A highlight of their social calendar is the annual Bar Beta each spring, which is a free-for-all picnic in the country.

The Tep's returned to school this fall with much enthusiasm after their convention last summer at Grossinger's in New York. They were first runner up for the best chapter award given by their national. They also won a regional scholarship award. They also claim that more Tep's get pinned than do Greeks in any other houses.

Always a strong contender in intramural sports competition, the Theta Chi's also had one hundred per cent participation in the blood drive the past two semesters.

Anne Arundel Hall

THE "LINE-UP" at an Anne Arundel dessert.

During the past quarter of a century the softly lit pine-paneled lobby of Anne Arundel Hall has seen the passing of hundreds of girls. Miss Lenna L. Gross, housemother, has watched these girls for twenty-five years win trophies for W.R.A. and campus activities. The girls of "Annie A" have been members of many campus organizations and scholastic honoraries, and the dorm has won the Scholastic Trophy for the last two years.

Socially, Anne Arundel has many desserts and dances throughout the year, an Orphans' Party at Christmas time, and in the spring its lawn is gaily lit by the glowing lights of their Lantern Dance.

COUPLES DANCE TO SWING at a Caroline dessert.

CAROLINE HALL MADE ITS APPEARANCE ON the Maryland scene six years ago, and in that short time has made a name for itself.

Caroline Hall can boast of having Miss Montgomery of 1959, and the first runner-up in the 1959 Miss Maryland contest.

Sportswise, Caroline has won the W.R.A. Softball Tournament for the second time, and has won an Archery Trophy. Several members of Freshman Women's Honorary, Alpha Lambda Delta, dwell here.

Mrs. Dorothy E. Pruter, housemother, has seen the Big Sister Christmas Party, the Dean's Tea, and Saturday morning Coffee and Confusion get-togethers become a tradition.

Carroll Hall

CARROLL HALL RESIDENTS will find that this June all of the year's events will still be vivid in their memories, for Halloween week's Dracula's Drag, the Faculty Tea, Christmas parties, Skit Night, and a Farewell Party for seniors are events that cannot be forgotten.

The television set the girls bought with their own money will be remembered as competition against studying. Participation in W.R.A. sponsored events will be remembered, as well as the Table Tennis Trophy, the Coffee Hours and the fire-side chats given by clergymen and non-academic speakers.

THE GIRLS ARE PLANNING an attractive room for the new semester.

GIRLS IN DORCHESTER find that fun is as important as studying.

IN SEPTEMBER OF 1958 DORCHESTER HALL opened its door for the first time. Each year Dorchester Hall plans to have a "kick off" dance called the Football Frolics to get their social season under way.

Dorchester won two trophies her first year on campus: the Homecoming Trophy for house decorations, and an Agricultural Trophy for winning the Cow Milking Contest.

Members of Dorchester Hall are also members of Angel Flight, Flying Follies, Alpha Lambda Delta, Freshman Honorary Sorority, and Mortar Board.

Dorchester Hall also participates in desserts and W.R.A. athletic competition.

The dormitory bids farewell to its graduating members in the form of a Senior Farewell Party.

Residents of Queen Anne's excell scholastically and are members of Alpha Lambda Delta. The dorm also houses the presidents of Angel Flight and Gamma Sigma Sigma.

St. Mary's Hall

INTERLUDE.

ST. MARY'S HALL, the oldest dormitory on the University of Maryland campus, has a great deal to be proud of, for thirty-two of its one hundred and twenty-six residents had a 3.0 or better over-all scholastic average.

In athletics Saint Mary's Hall made their mark with a championship basketball team. During the 1959 Blood Drive, the dormitory placed second.

Listed among Saint Mary's social functions are desserts and dances which draw attendance from other colleges as well as from the University of Maryland.

SOMERSET HALL has many girls active on campus. It houses the A.W.S. president, a member of Who's Who, and two *Terrapin* editors. Somerset has won the Blood Trophy three consecutive times.

The dormitory holds many desserts and a Christmas Party, at which carol singing is a tradition. In the spring, the junior girls sponsor a cook-out. The dorm also holds coffee hours where speakers of interest are invited to present their views. Mrs. Phyllis Lewis is the house-mother.

A REAL MIDDLEMAN ON MARYLAND'S CAMPUS is Wicomico Hall, the center portion of the Gulch dormitories built in 1954. Since that first orientation week many new faces have become old acquaintances, and these girls in turn have offered a helping hand to the dink bedecked freshman.

Traditions on the campus change from year to year, but W.R.A. tournaments, desserts, sock hops, peanut parties, Saturday breakfasts of coffee and doughnuts, Monday dorm meetings, and study halls, will always remain a part of the Wicomico scene. These activities are supervised by Mrs. Mary Burch, housemother, and Mrs. Ethel Frinkle, house director.

Winner of last year's Volleyball Championship, Wicomico sponsors an annual Ping-pong Tournament, and an inter-dormitory tennis contest.

Worcester Hall

THE GIRLS OF WORCESTER welcoming incoming freshmen.

THE NEWEST ADDITION to the women's dormitories is Worcester Hall. The dormitory is composed of an enthusiastic group of freshmen who are aided by representatives from the older dorms.

The one hundred and fifty girls who resided in Worcester Hall this past year had a very successful social season. Not a week went by during the semester without a dessert. Within the first three weeks of the semester the Worcester social calendar was filled through Christmas, and all of the affairs were held in the beautiful pine-paneled recreation room of which Worcester is so proud.

Annapolis Hall

"Aw, come on and open the door; we won't listen!"

ANNAPOLIS HALL IS UNIQUE IN TWO WAYS.

First, it used to be the university gym. The second floor was completed and made ready for dormitory use in the fall of 1958. The rooms are spacious, with new furniture and large closet space.

The other way in which Annapolis Hall is unusual is the method used for getting new residents. Instead of having them assigned, the dorm chooses the incoming freshmen on the basis of school records and interests, which are used to give some indication of the individual's chances of staying in school and of his study habits. The result is a quieter dorm with less dropouts.

ALLEGANY HALL, located at the far southern end of the campus, houses more than 250 men in five sections.

In order to keep the sections in contact with dorm activities, the presidents of the five sections have formed an executive council, which meets regularly to plan future events and improvements.

For the first time, Allegany co-sponsored a resident men's dance with the RMA in February, with the RMA furnishing the funds and Allegany furnishing the effort.

The dorm also participated in the Homecoming parade with a float featuring Donald Duck. Donald's wings were supposed to flap, but the rain loosened the paper so much that only the frames flapped while the wings hung by his side. Oh well, there's always next year . . .

"WHO INVENTED THIS STUFF, ANYWAY?"

Baltimore Hall

GETTING READY for that once-a-week ordeal called inspection.

BALTIMORE HALL, ONE OF THE OLDER DORMS, was originally known as Sylvester Hall. This was back when most of the existing dormitories were designated by only a letter, such as "Dormitory C."

Housed in the basement of Baltimore Hall is the University Sweet Shop, which offers sodas and sandwiches to students Sunday through Thursday evenings.

CALVERT IS THE OLDEST DORMITORY, built in 1913 and 1914 when H. J. Patterson was president and the governor was P. L. Goldsborough.

One feature of the dorm is that each section has its own lounge.

Housed in the basement of Calvert Hall are the campus tailor shop, which offers services to all university students, and the office of APO, the service fraternity.

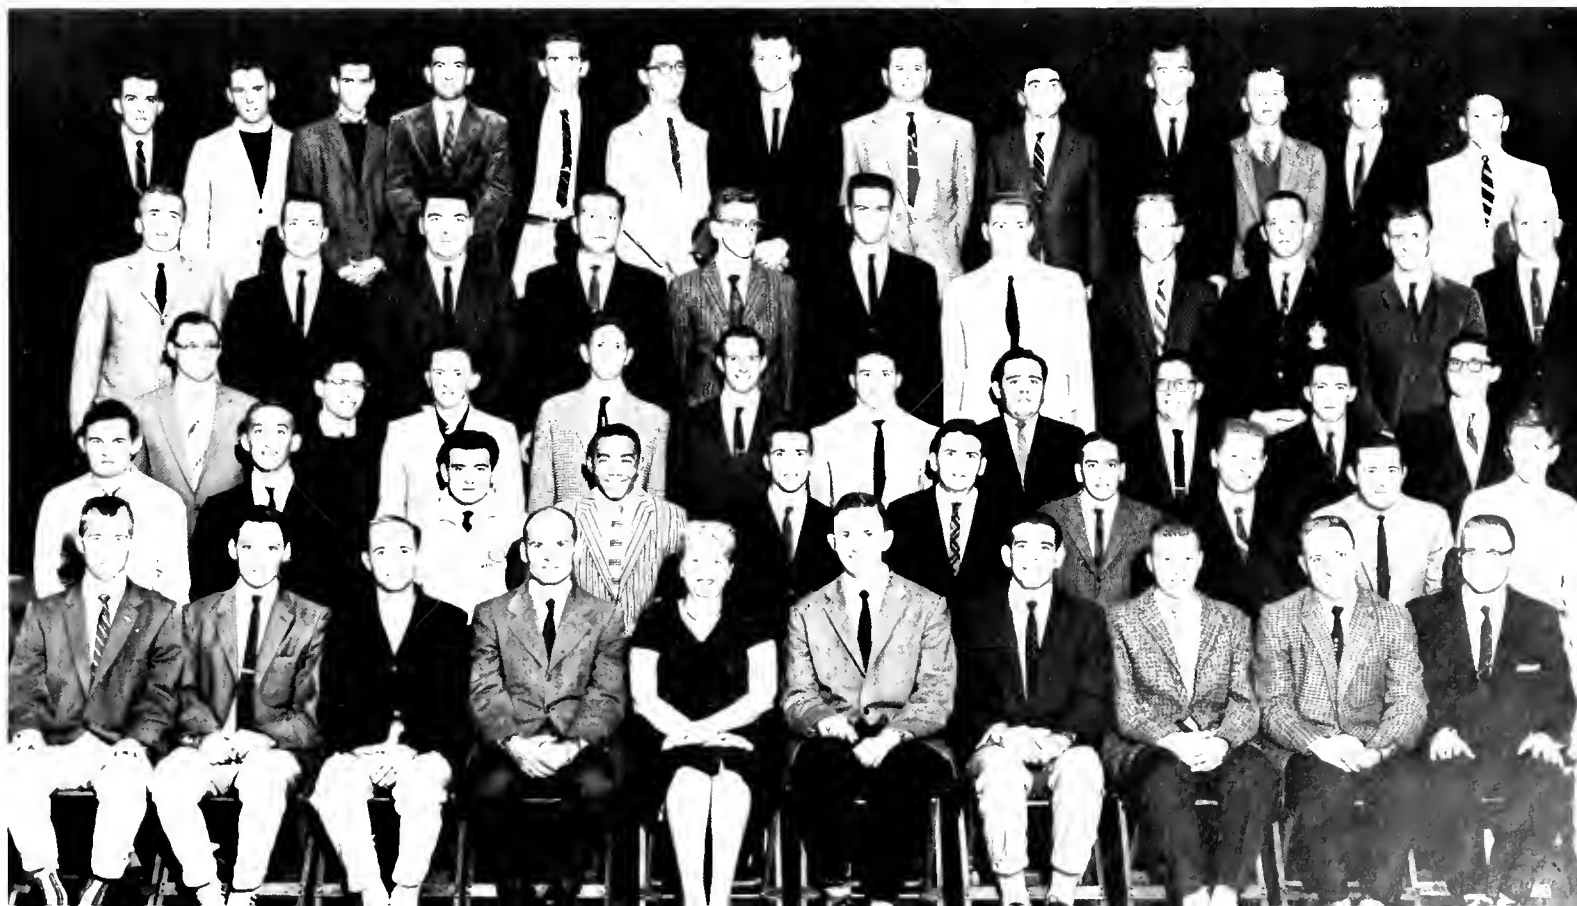

The entire freshmen football team fills one of the sections.

Cecil Hall

EVEN THE YOUNG LADY on the wall seems impressed with this stunt.

CECIL HALL IS THE MOST RECENT ADDITION TO the group of dormitories. While it is only one section, the building is a four story structure and has room for 115 men.

Cecil's lounge doubles as an entry room. It is furnished with lounge furniture, art on the walls, and a transparent dividing wall between the lobby and the hallway.

Teams were entered in all of the intramural contests and a float was built for the Homecoming parade.

LOCATED ON THE OUTSKIRTS OF THE CAMPUS, Charles Hall is one of the many new additions of the last ten years.

The men of Charles have an active social and athletic program. A Christmas party and a number of desserts top the social list. The dorm has its own television set and lounge.

Besides participating in softball during the spring semester, West Charles engages in another popular sport with its next door neighbor, Allegany. The sport? Why, water fighting, of course!

This year Charles has a new housemother, Mrs. Potter.

"WELL, GEE WHIZ, a guy's gotta' keep his strength up to study!"

Frederick Hall

ADDING ONE MORE to the collection.

FREDERICK HALL HAS BEEN ACTIVE THIS YEAR both socially and athletically. Highlighting the social year was an off-campus Christmas party and several desserts. Sports-wise, the dorm was second runner-up in football.

The boys are looking around for a trophy case in which to put their RMA award for being last year's softball champs. Next year at this time, Frederick hopes to have a new lounge in which to keep this and future trophies.

During the spring semester, the bank behind the dorm is very popular with sun bathers.

Although it is a two section dormitory, Frederick has only one president.

GARRETT HALL, ONE OF THE LARGEST single section dorms, with 104 residents, is located directly across from the dining hall.

This year's project was to fix the recreation room as a lounge. The dormitory purchased a television set and planned the addition of new drapes and chairs.

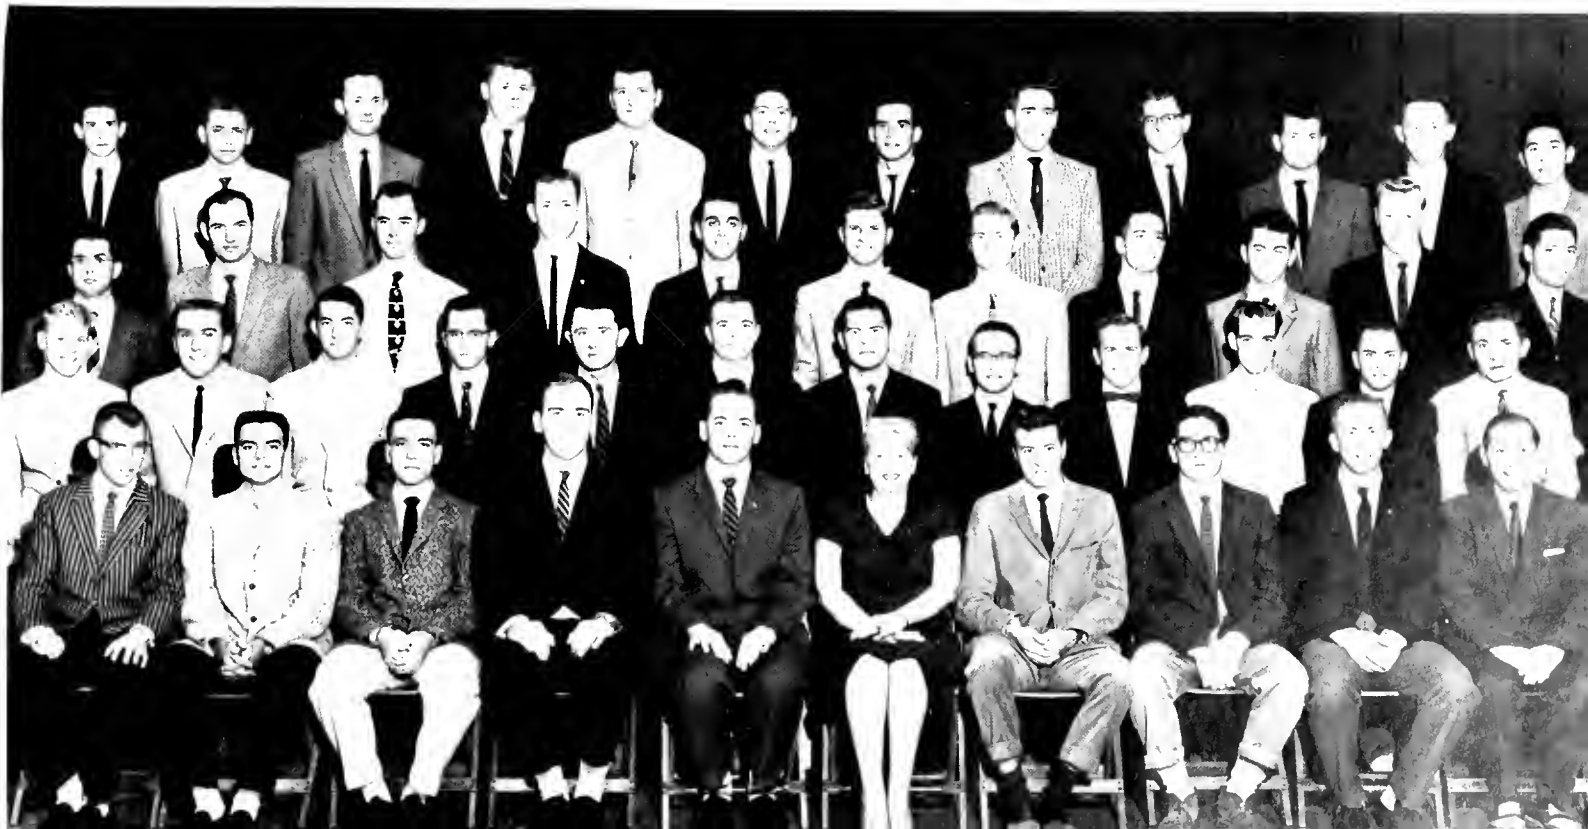

Besides the usual water battles and football playing in the halls, the men devote quite some time to card playing. A Hearts Tournament held last fall was judged successful in terms of both the number participating and the interest shown.

THE WINNER OF THE HEARTS TOURNAMENT (center, looking at cards) tries his luck at Pinochle.

Harford Hall

EVEN THE IMPROMPTU JAM SESSIONS such as this one are well attended.

HARFORD'S FIRST ANNUAL TOUCH FOOTBALL clash between the upperclassmen and the underclassmen—the Toilet Bowl—saw the juniors and seniors take it, 19-0.

This means that the winners keep the trophy, a toilet seat, until the next game. It is hoped that the seat will be engraved with the score every year.

Harford has its own band, which was a big success at the Harford Hall Christmas party. Originally the band was organized by the members for their own enjoyment, but it was such a hit that it has become the dorm band, playing at all dorm functions with the dorm furnishing the sheet music.

ALTHOUGH THE SMALLEST MEN'S DORM, Howard is quite active in campus life.

Howard men participated in intramural football, basketball, softball, and, for the first time, the intramural cross-country. Also from Howard are gymkana members, frosh swimming and baseball men, band members, and members of the Pershing Rifles trick drill team.

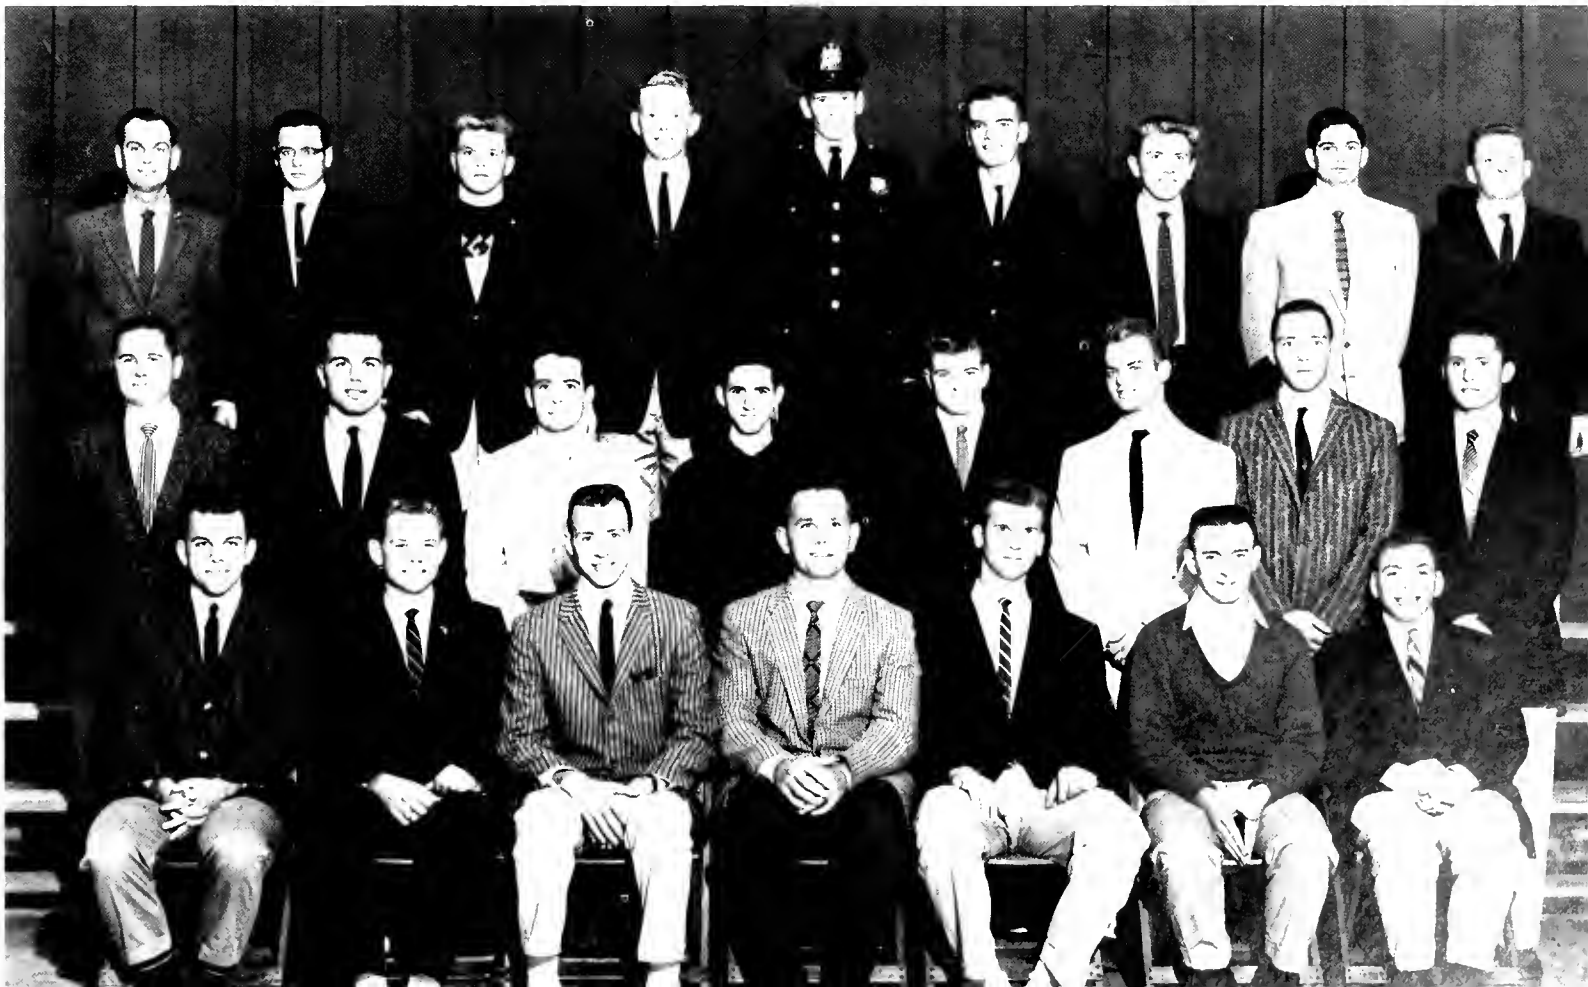

Socially, Howard Hall sported its first Homecoming float, held a party, and participated in desserts. The dessert with Caroline Hall had nearly 100 per cent attendance.

PRESENTING HER MAJESTY, Miss Montgomery Hall!
(MISS ELAINE RICCA)

MONTGOMERY HALL IS GENERALLY RECOGNIZED as a leader in dormitory activities. Although the largest dorm, with seven sections and more than 350 residents, it is one of the better organized men's dorms.

In the fall campus blood drive, for instance, Montgomery won the drive trophy with nearly half again as many donors as the rest of the men's dormitories put together. The award will be put in a new trophy case with the trophy for the top intramural football team, also copped by Montgomery.

The big social event this year was the second annual Miss Montgomery Hall Dance held in Preinkert Fieldhouse. More than 300 people were on hand to witness the crowning of Miss Montgomery Hall.

Montgomery has also been a leader in dorm Christmas decorations.

Kent Hall

PASS-TIME.

WITHOUT A DOUBT, KENT HALL'S GREATEST claim to fame is that fine old sport of "watching all the girls go by."

On any warm day the dorm steps can be seen filled with loyal Kent devotees. When a girl walks by, the result is enough to make any college man proud.

Another Kent tradition is collecting. Scattered throughout the dorm are lanterns, smudge pots, flags, and for a time this year, a grocery cart.

PRINCE GEORGES HALL, one of the smaller dorms, lies between the two dorm malls. The front door faces Kent Hall and the rear door opens onto Washington Hall.

New chairs and tables have been added to the lounge by the University, and the dorm members are planning the purchase of a television set.

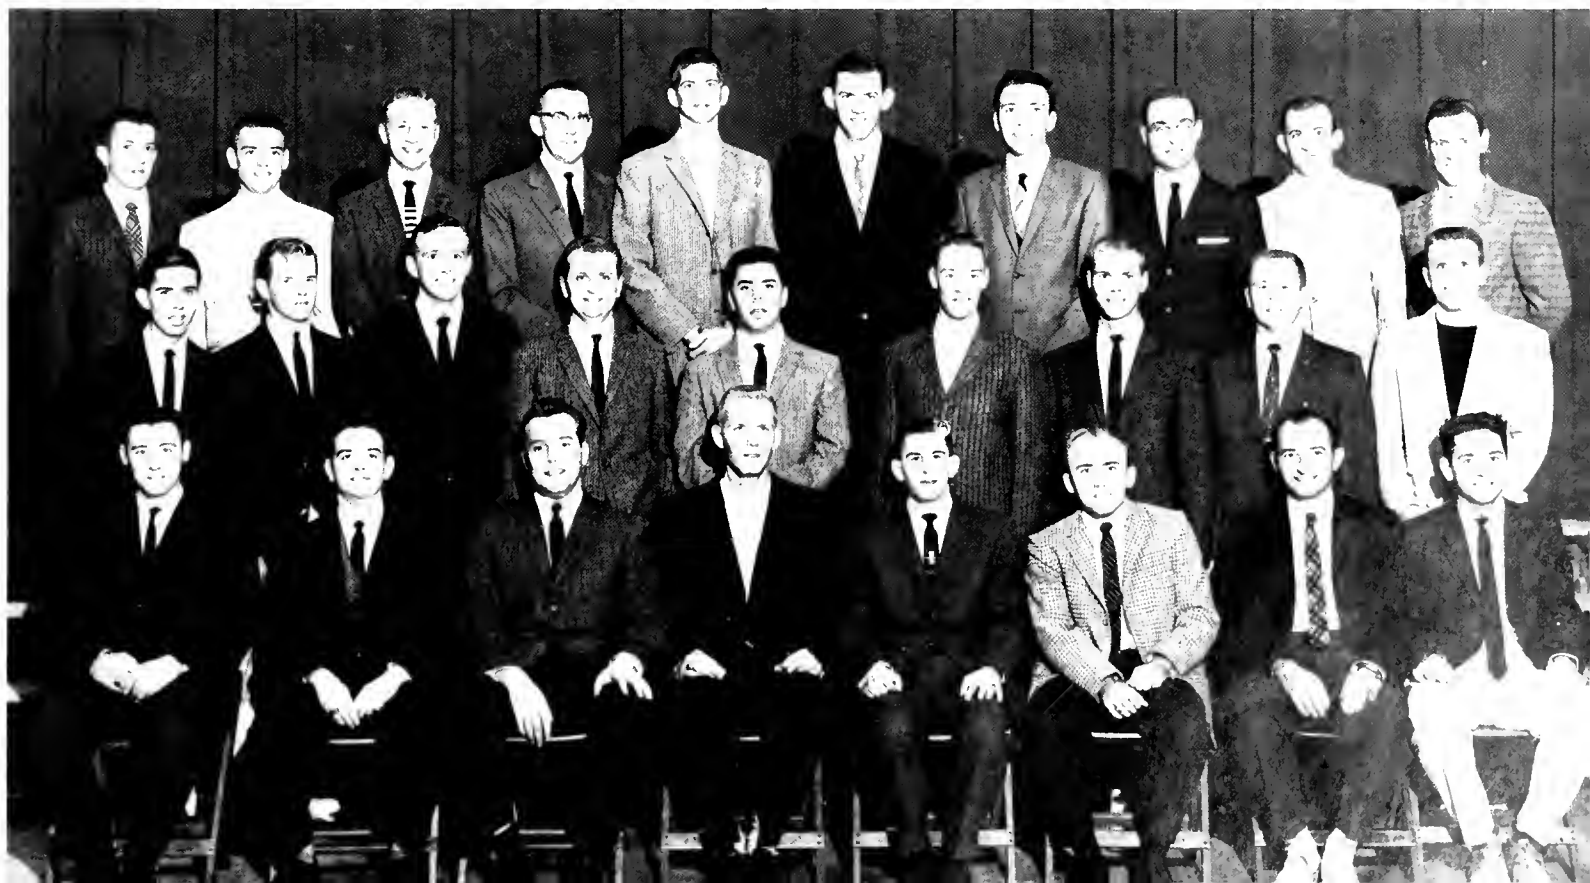

Upstairs, in a quiet part of the building, the dorm has its own study room, complete with tables, chairs, and a sofa.

YOU CAN ALWAYS TELL when it's getting close to the end of the semester . . .

Talbot Hall

TALBOT HALL DWELLERS WATCHING TELEVISION in their new lounge.

THE MEN OF TALBOT HALL built their own lounge this year instead of following the usual procedure of having the University build it with the dorm funds authorized for Talbot. All that the administration furnished was the basic materials, such as paint, and some furniture.

The boys themselves cleaned out the basement, which was being used as a storeroom, and did all of the painting, tile laying, and decorating. After the lounge was completed they bought a television set and additional furniture.

Talbot Hall also has its own newspaper, *The Talbot Tumor*. The issues, which appear monthly, are written and printed by dorm members.

IN THE POST WAR YEARS, when a dormitory was nothing more than a place for a student to eat and study, Washington Hall was known as "The Range." Anyone who is familiar with the dormitory will agree that this was a fitting name for the long row of small sections in front of Allegany Hall.

Washington Hall's sections are the smallest of any dorm; some house only a few boys. Each section is actually a small dorm in itself. In fact, a resident of one section may not see a resident of another section for weeks at a time.

LONG HALL.

Fire Extension Dorm

THE EIGHT BOYS WHO LIVE, eat, and sleep here are really working their way through college. Besides keeping their quarters neat and the fire fighting equipment in order, they also answer an average of one call a day.

All are enrolled in the fire protection engineering course, which will prepare them for such professions as industrial or municipal consultants or insurance underwriters.

The ninth member of the group is Mack, the Dalmatian mascot, who has the best deal of all. He gets to go to all the fires but he doesn't have to attend class. That's a dog's life?

And so you came to Maryland, where freshman orientation gently eased you into the bustling stream of campus life. Hour exams, deans slips and registration soon became familiar landmarks, while campus hangouts and traditions became an indispensable part of life. With dink and M Book discarded, the AFROTC uniform was the final trace of newness.

As sophomores, you returned to campus in the fall with elections behind you, and the comfortable feeling of being an old timer to Maryland life. Enthusiasm and energy abounded — you became the first class to design your own flag. The visit of Queen Elizabeth and the thrill and triumph of the “Queen’s Game”, made this year a distinctive one, while old traditions such as the Sophomore Carnival were not forgotten.

Having attained the level of juniors and upperclassmen, you settled down to choose your major and assume the responsibilities of campus leadership. Thus, for the first time, the Junior Promenade was held off campus, and Miss Maryland was crowned at the dance at the Indian Spring Country Club. The Junior Class Donkey Basketball game was a hilarious success, and May Day, with its lovely traditions, was well done despite slightly dampened spirits at the end.

This fourth and last year at Maryland was over before you knew it. Soon you were making your final contribution to the university — The Senior Class Presents, with Bob Hope. Graduation marks the end of four eventful years, and who knows what the future will bring?

Good

to
You,

MR. ROBERT G. CAREY, *Terrapin* adviser for five years.

Mr. Carey

"HE SERVES BEST who serves the
truth."

Professor Robert G. Carey was the faculty advisor to the *Terrapin* yearbook for five years before this year; and at one time he was the advisor to the *Diamondback*, *M Book*, *Old Line*, *Terrapin* and Pi Delta Epsilon all at the same time. He has received recognition as an outstanding faculty member by both Diamond and Men's League. He is highly respected and loved by his colleagues and students.

He has received a fellowship grant of \$4,000 from the Ford Foundation's Fund for Adult Education and plans to take his doctoral studies at American University next year.

Mr. Carey, Your friends at Maryland send their hearts with you and your family and wish you a rewarding future.

ALTHOUGH A FIRM AND DEMANDING INSTRUCTOR, he has been a favorite among his students.

The Editor's Page...

Another year is drawing to a close with the rush and excitement of spring activities. Another Terrapin has gone to the presses with the hopes and sighs of relief of its editors and their staffs. A lot of work has gone into this book, as in all those before. We have tried to capture some of the spirit of this unique period of our lives — that period which we dedicate to higher learning and come to live together here, on this campus, so we may better understand our world, our relationships with it and how we may be of service to it.

Many of us have sacrificed a good deal to be here and take our mission rather seriously. Our world, whatever it is and whatever it means, has many and increasingly serious problems and needs. It is up to us, and to whomever else is able, to study and solve its problems and to recognize and fulfill its needs. If we are to be the leaders of our society it is fitting that we take time out from wordly affairs to contemplate its problems and to prepare for our service to it.

A yearbook tries to do two things: to show who was here and what they did; and to capture, for the exclusive enjoyment of those who were here, something of the lighter side of our activities — our recreation and social events — those things which we like to remember and to talk about.

Your editor wants to give his thanks for their part in this task first to a hardworking and loyal staff and to the many people around campus who cooperated with them and gave them willing help when it was needed. Mr. Werner Severin, who was our advisor, and the members of the **Faculty-Senate Committee on Student Publications and Communications** sat through many problems of the production. Al Danegger and his staff in the **University Photographic Section** went way out of their way to help us out of picture problems and crises. Our printer, **H. G. Roebuck & Son, Inc.** of Baltimore, our senior portrait photographer, **Colonna Studios, Inc.** of New York, our residences photographer, **Rideout and Stapp** of Washington, and our cover manufacturer, **The S. K. Smith Company** of Chicago, also deserve due credit.

We hope you will find your 1960 *Terrapin* enjoyable for years to come.

STEWART CALLISON
